2.01 General. Developer hereby proclaims that the Property is and shall be subject to the easements, covenants, conditions, restrictions, charges, liens and regulations of these

Covenants and the Property, any part thereof and each Lot or Dwelling and Common Area thereon shall be held, owned, sold, transferred, conveyed, hypothecated, encumbered, leased, occupied, built upon and otherwise used, improved and maintained subject to the terms of these Covenants, which easements, covenants, conditions, restrictions, charges, liens and regulations shall run with the title to the Property and shall be binding upon and inure to the benefit of Developer and upon all Owners and Occupants of the Property and any Lot or Dwelling and Common Area thereof. **These Covenants shall not apply to or affect the Golf Property nor shall these Covenants apply to any real property owned by Developer other than the Property, unless the same is subjected specifically by written amendment or supplement to these Covenants.**

2.02 Additional Property. Developer reserves the right, in its sole and absolute discretion, at any time and from time to time during the pendency of these Covenants, to add and submit any Additional Property to the provisions of these Covenants and, to the extent any of the Additional Property is specifically submitted to the terms and provisions of these Covenants by Developer, then any such Additional Property shall constitute part of the Property. Additional Property may be submitted to the provisions of these Covenants by an instrument executed by Developer in the manner required for the execution of deeds and recorded in the Probate Office of Jefferson County, Alabama, which instrument shall be deemed an amendment to these Covenants (which need not be consented to or approved by any Owner, Occupant or Mortgagee of any Lot or Dwelling) and shall (a) refer to these Covenants stating the book and page number in the Probate Office of Jefferson County, Alabama where these Covenants are recorded, (b) contain a statement that such Additional Property is conveyed subject to the provisions of these Covenants or only specified portions thereof, (c) contain an exact description of such Additional Property and (d) state such other or different covenants, conditions and restrictions as the Developer, in its sole discretion, shall specify to regulate and control the use, occupancy and improvement of such Additional Property. From and after the date on which any amendment to these Covenants is recorded in the Probate Office of Jefferson County, Alabama submitting any Additional Property to the terms and provisions of these Covenants, the number of votes in the Association shall be increased by the number of Lots within the Additional Property which is added and submitted to these Covenants and in accordance with the voting rights set forth in the Bylaws. In no event shall Developer be obligated to submit any Additional Property to the provisions of these Covenants or to impose any of the covenants, conditions or restrictions set forth in these Covenants upon any real property owned by Developer other than the Property. Notwithstanding anything provided in these Covenants to the contrary, (1) the provisions of this Section 2.02 may not be abrogated, modified, rescinded, supplemented or amended, in whole or in part, without the prior written consent of Developer and (2) the rights reserved by Developer pursuant to this Section 2.02 shall not be deemed to inure to the benefit of any transferee or purchaser of any Additional Property or any portion thereof, unless Developer, in its sole discretion, transfers and conveys to such transferee or purchaser the rights reserved herein by express reference to Section 2.02 of these Covenants.

2.04 Mutuality of Benefit and Obligation. The provisions of these Covenants are made (a) for the mutual and reciprocal benefit of each Lot, Dwelling and Common Area within the Property and are intended to create mutual, equitable servitudes upon and in favor of each Lot and Dwelling, (b) to create reciprocal rights and obligations between the respective Owners and all future and subsequent Owners of any Lot or Dwelling within the Property and (c) to create a privity of contract and estate between the Owners, their respective heirs, successors and assigns.

2.05 Golf Facilities. Developer, in its sole discretion, may from time to time provide Golf Facilities to be constructed on the Golf Property which are separate from the Common Areas. The Golf Facilities shall be developed and provided at the discretion of the Developer. Whoever owns any of these Golf Facilities at any particular time has the exclusive right to determine from time to time, in its sole discretion and without notice or approval of any change, how and by whom the Golf Facilities shall be used, if at all. By way of example, but not limitation, such entities have the right to approve users and determine eligibility for use, to reserve use rights for future purchasers of the Development, to terminate any or all use rights, to change, eliminate or cease operation of any or all of the Golf Facilities, to transfer any or all of the Golf Facilities or the operation thereof to anyone (including without limitation a member owned or equity club) and on any terms, to limit the availability of use privileges, and to require the payment of a purchase price, membership contribution, initiation fee, dues and other charges for use privileges. Ownership of any or all of the Development or membership in the Association, does not give any vested right or easement, prescriptive or otherwise, to use the Golf Facilities, and does not grant any ownership or membership interest in the Golf Facilities.

2.06 Development of Property. Subject to the approval of any Governmental Authority with appropriate jurisdiction, Developer shall have the right, but not the obligation, for so long as Developer owns any portion of the Development, or until such earlier date as Developer elects in its sole discretion to relinquish such right, to make improvements and changes to all Common Areas and to all Lots or Dwellings owned by Developer, including, without limitation, (i) installation and maintenance of any Improvements in or to the Common Areas, (ii) changes in the location of the boundaries of any Lot or Dwelling owned by Developer or of the Common Areas, (iii) installation of any water, sewer and any other utility systems and facilities within the Common Areas, (iv) installation of limited access and trash and refuse facilities, and (v) installation and maintenance of any soil erosion control, ponds, lakes or drainage channels pursuant to the Watershed Protective Covenants.

The power and authority granted herein is hereby declared to be irrevocable and a power coupled with an interest which shall survive the death or dissolution of any Owner or Mortgagee and be binding on all Owners and Mortgagees and their respective heirs, executors, administrators, personal representatives, successors and assigns and anyone having any interest in any Lot, Dwelling or Common Area or in any of the easement rights created or granted in these Covenants. (e) Benefit of Easements. The easements, rights and privileges granted in Sections 3.01 and 3.03 shall pass with each Lot and Dwelling as an appurtenance thereto and may not be severed, transferred, assigned or otherwise alienated separate or apart from a Lot or Dwelling.

(f) Access. Developer reserves the right, but shall not be obligated, to control access to the Property. If Developer elects not to control access to the Property, however, Developer shall not be liable for any claims or damages resulting from the lack of such controlled access.

3.04 Reservation of General Access Easement. Developer does hereby establish and reserve for itself, the Master Association, the ARC, and the Association, their respective agents, employees, representatives, invitees, successors and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, through and upon each Lot and Dwelling for the purpose of providing ingress to and egress from each Lot and Dwelling for (a) inspecting each Lot and Dwelling and any Improvements thereon in order to determine compliance with the provisions of these Covenants, and (b) the performance of the respective duties of Developer, the Master Association, the ARC and the Association hereunder, including, without limitation taking any action required or permitted to be taken by Developer, the Master Association, the ARC and/or the Association pursuant to any of the terms or provisions of these Covenants, the Master Association Bylaws or the Watershed Protective Covenants; provided, however, that upon completion and occupancy of any Dwelling, then except in the event of emergencies, the foregoing easement shall be utilized only during normal business hours and then, whenever practicable, only upon advance notice to the Owner or Occupant of such Lot or Dwelling directly affected thereby.

3.05 Reservation of Easements With Respect to Common Areas.

(a) Easement Upon Common Areas. Developer does hereby establish and reserve, for itself, the Master Association, the ARC, and their respective agents, employees, representatives, invitees, successors and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, under, through and upon all of the Common Areas for

the purpose of (i) constructing, installing, maintaining, repairing and replacing any Improvements to the Property or to the Common Areas and (ii) doing all other things reasonably necessary and proper in connection therewith; provided, however, that nothing in this sentence shall obligate Developer to undertake any of the foregoing. In addition to the other rights and easements established and reserved herein and regardless of whether Developer continues to own any portion of the Development, Developer hereby establishes and reserves for itself and its successors and assigns, a permanent and perpetual, nonexclusive easement to have access, ingress to and egress from and the right and privilege to use and enjoy the Common Areas and all Improvements thereon for such purposes as Developer deems appropriate; provided, however, that Developer should not exercise such rights so as to unreasonably interfere with the rights of the Owners to use the Common Areas.

(b) Changes in Common Areas. Developer does hereby establish and reserve unto itself and its successors and assigns the permanent right to change, modify and realign the boundaries of any of the Common Areas, any Lots, Dwellings, other portions of the Development owned by Developer, or the Golf Property. Developer further reserves the right, but shall not have any obligation, to convey by quitclaim deed to the Master Association at any time and from time to time any portion of the Development, the Property or any Improvements thereto to be utilized as Common Areas, as Developer, in its sole discretion, may determine.

Developer does hereby establish and reserve for itself and the Master Association, and their respective successors and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, under, through and upon all portions of the Common Areas and all Lots and Dwellings which are reasonably necessary for the purpose of installing, erecting, replacing, relocating, maintaining and operating master television and/or cable systems, limited access facilities and similar systems and all utilities necessary or convenient for the use of any portion of the Development including, without limitation, publicly or privately owned and operated electrical, gas, telephone, water and sewer services, storm drains and sewers, drainage systems, retention ponds, lakes, basins and facilities, lines, pipes, conduits, equipment, machinery and other apparatus and appurtenances necessary or otherwise reasonably required in order to provide any utility service to any portion of the Development. The easements established and reserved herein shall include the right to cut and remove trees, undergrowth and shrubbery, to grade, excavate or fill and to otherwise take all other action reasonably necessary to provide economical and safe installation, maintenance, repair, operation and replacement of all such utility services and the systems, equipment and machinery used to provide the same. Notwithstanding anything provided in this Section 3.06 to the contrary, (i) the utilization of any of the easements and right established and reserved pursuant to this Section 3.06 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot, and (ii) Developer shall use good faith efforts to attempt to cause any utility company or other supplier or provider of any utility service which may utilize any of the easements and right reserved and established pursuant to this Section 3.06 to take reasonable action to repair

any damage to any Lot or Dwelling caused by such utility company or other supplier or provider of such utility service during the exercise of any rights established and reserved herein.

3.07 Reservation of Easements for Signs, Walks, Trails, Walls and Fences.

(a) Easement for Walks, Trails and Signs. Developer does hereby establish and reserve for itself, the Master Association, their respective successors and assigns, a permanent and perpetual easement appurtenant over, across, through and upon a strip of land ten (10) feet in width on any side of any Lot or Dwelling lying parallel and directly adjacent to and abutting any public or private roadway, for the purpose of constructing, installing, maintaining, repairing, operating, replacing and the use of sidewalks, walkways, trails, bicycle and jogging paths and lanes, traffic directional signs, street lights and related improvements; provided, however, that neither Developer nor the Master Association, by virtue of this sentence, shall have any obligation to construct any of the foregoing improvements.

(b) Easement for Perimeter Wall. Developer does hereby establish and reserve for itself, the Master Association, and their respective successors and assigns, a permanent and perpetual easement appurtenant over, across, through and upon a strip of land fifteen (15) feet in width on the side of any Lot or Dwelling lying parallel to the perimeter boundary of the Development for the purpose of constructing, installing, maintaining, repairing, operating and replacing a perimeter wall, fence, mound or berm around the perimeter boundary of the Development; provided, however, that neither Developer nor the Master Association, by virtue of this sentence, shall have any obligation to construct any such perimeter wall, fence, mound or berm.

3.08 Reservation of Maintenance Easement. Subject to the terms and provisions of Section 7.02(b) below, Developer does hereby establish and reserve for the Master Association, the Association, and each of their respective agents, employees, successors and assigns, a permanent and perpetual right and easement to enter upon any Lot or Dwelling for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds, stumps or other unsightly growth and removing trash so as to maintain reasonable standards of health, fire, safety and appearance within the Development; provided, however, that such easement shall not impose any duty or obligation upon Developer, the Master Association or the Association to perform any of the foregoing actions.

3.09 Reservation of Environmental Easement. Developer does hereby establish and reserve for itself, the ARC, the Master Association and their respective agents, employees, successors and assigns, a permanent and perpetual right and easement on, over, across and upon all Lots and all unimproved portions of any Dwellings for the purpose of taking any action necessary to effect compliance with the Architectural Standards or any environmental rules, regulations and procedures from time to time promulgated or instituted by any Governmental Authorities or the Master Association. Except in the case of an emergency

situation or a perceived emergency situation, the exercise by Developer or the Master Association of the rights reserved in this Section 3.09 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot.

3.10 Watershed Protective Covenants. In addition to these Covenants, all Lots, Dwellings, Improvements and Common Areas are subject to the covenants, conditions, restrictions, easements, limitations, obligations, assessments, remedies, prohibitions and appointments set forth in the Watershed Protective Covenants for such period and to the extent set forth therein. The Watershed Protective Covenants are referred to and incorporated in these Covenants by reference as if set out herein in their entirety.

3.11 Landscaping by Owners on Easement Areas. The Developer, the Master Association, the Association, any Governmental Authority, any utility company, and each of their respective successors and assigns, shall not be liable to any Owner, Occupant or any other party for and on account of damage to any landscaping or plantings placed on any easement area or road right-of way within the Development by any Owner, Occupant or any other party.

ARTICLE IV

ASSOCIATION

4.01 Membership. The Owner of each Lot or Dwelling shall be a member of the Association. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot or Dwelling; provided, however, that (a) Developer shall be deemed a member of the Association for so long as Developer owns any portion of the Vestlake Property, or until such earlier date as Developer elects, in Developer's sole discretion, to terminate Developer's membership in the Association, (b) in the event any Lot or Dwelling is owned by more than one (1) person, then the Owner of such Lot shall, by written notice to the Board, designate only one (1) representative to serve as a member of the Association until such time, if at all, that the Mortgagee becomes an Owner by virtue of foreclosure of its Mortgage and title to such encumbered Lot or Dwelling is vested in Mortgagee pursuant to duly recorded deed. The transfer or conveyance of fee title to any Lot or Dwelling (other than by a Mortgage as security for the payment of an obligation), shall automatically include the transfer of all membership rights of such Owner in the Association with respect to the Lot or Dwelling transferred and conveyed, notwithstanding any failure of the transferor to endorse to his transferee any certificates, assignments or other evidence of such membership. Membership or the rights and benefits in the Association may not be transferred, assigned, conveyed or otherwise alienated in any manner separately and apart from the ownership of a Lot or Dwelling. Each member of the Association shall at all times comply with the provisions of these Covenants, the Articles of Incorporation, the Bylaws and all rules and regulations which may from time to time be adopted by the Board or the members of the Association.

4.02 Board. The Board shall have the rights and duties set forth in the Articles of Incorporation and the Bylaws. Developer hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until such time as Developer no longer owns any portion of the Vestlake Property, or until such earlier date as Developer elects, in Developer's sole discretion, to relinquish such right. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, vests in Developer such authority to appoint and remove members of the Board and officers of the Association as provided by this Section 4.02.

4.03 Voting Rights. Subject to the rights reserved to Developer in the Articles of Incorporation and Bylaws (which, among other things, provide that only Developer, for so long as Developer owns any portion of the Vestlake Property, or until such earlier date as Developer may elect, in Developer's sole discretion, shall be exclusively entitled to take various actions and vote on all matters to be voted on by the members of the Association) and the rights of the Master Association or the Association, as the case may be, to suspend any Owner's voting rights or privileges in the Association pursuant to Section 11.01 below, the Owner of each Lot or Dwelling shall be entitled to one (1) vote in any matters submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot or Dwelling. Such voting rights shall continue to apply to each Lot or Dwelling upon the addition of any of the Additional Property to these Covenants, or upon the development of any other single family residential area south and/or east of Liberty Parkway, the owners of which may also be members of the Association, all in Developer's sole discretion. Each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, consents and agrees to the dilution of his or her voting interest in the Association by virtue of the resubdivision of any Lot by Developer pursuant to Section 2.07 above, the submission of any Additional Property to the terms of these Covenants, or the development of any other single-family residential area south and/or east of Liberty Parkway as mentioned above. In no event, whether as a result of there being multiple ownership interests in any Lot or Dwelling or otherwise, shall more than one vote be allowed for any one Lot or Dwelling. Fractional voting shall not be permitted. For purposes of this Section 4.03, Developer shall be deemed to be the Owner of and entitled to all voting rights attributable to any Lots or Dwellings owned by Developer.

4.04 Duties and Powers of Association. In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in these Covenants, the Association shall have the power to perform or cause to be performed any of the duties and powers set forth in the Articles of Incorporation and the Bylaws. The Association may exercise any other right or privilege granted to it expressly by the Master Association Board, these Covenants or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided to the contrary herein, in the Articles of Incorporation or in the Bylaws, the powers and authority granted to the Association may be exercised by the Board, acting through the officers of the Association, without further consent or action on the part of the Owners. Nothing herein

shall be construed as a restriction of the rights, duties, responsibilities and obligations of the Association set forth in the Articles of Incorporation or the Bylaws.

4.05 Agreements. Subject to the conditions, restrictions and other provisions of these Covenants, all agreements, actions and determinations lawfully authorized by the Board with respect to the Property shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors and assigns and all others having any interest in the Property. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice such duties of the Association hereunder as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Property, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. During the term of any such management agreement entered into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association hereunder, excepting any of such powers or duties specifically and exclusively reserved to the Board or the officers of the Association by these Covenants, the Articles of Incorporation or the Bylaws. Such manager may be an individual, corporation or other legal entity and may be bonded in such manner as the Board may require, with the costs of such bond to be a Common Expense. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Property, or the enforcement of these Covenants, the Articles of Incorporation, the Bylaws or any rules and regulations of the Association.

4.06 Management by Developer or its Affiliates. In addition to the rights and authority granted to the Association in Section 4.05, Developer or any affiliate thereof may, but shall not be obligated to, be employed as the manager of the Association and the Property for so long as Developer owns any portion of the Vestlake Property, or until such earlier date as Developer elects, in Developer's sole discretion, to relinquish such right, at such compensation and on such terms as would be usual, customary and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality and nature of the Property. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, shall be deemed to ratify the provisions of this Section 4.06 and specifically be deemed to have approved any management agreement entered into by the Association and Developer or any affiliate thereof.

4.07 Rules and Regulations. Subject to the prior written approval of the Master Association Board which may be withheld in the sole discretion of the Master Association Board, the Board may establish and enforce reasonable rules and regulations governing the

use of all Lots and Dwellings, including, without limitation, rules and regulations which govern the establishment of bird sanctuaries, wildlife and wildflower areas, the enforcement of all of the terms and provisions of these Covenants, and the limitation, restriction or prohibition of application of fertilizers, pesticides, and other chemicals within the Property. Each such rule and regulation shall be binding upon all Owners and Occupants until and unless any such rule or regulation is specifically overruled, canceled or modified by the Board or by the majority vote of the total votes of the Association at any regular or special meeting of the Association; provided, however, that no such rule or regulation may be overruled, canceled or modified unless such action is also approved by Developer for so long as Developer owns any portion of the Vestlake Property or until such earlier date as Developer elects in Developer's sole discretion, to relinquish such right.

4.08 Indemnification. The Association shall and does hereby indemnify, defend and agree to hold each and every officer, agent, representative and member of the Board harmless from and against any and all expenses, including court costs and reasonable attorney's fees, suffered, paid or incurred with any action, suit or other proceedings (including the settlement of any suit or proceedings if approved by the Board) to which such person may be made a party by reason of being or having been an officer, agent, representative or member of the Board. The officers, agents, representatives and members of the Board shall not be liable for any mistake in judgement, negligence or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The officers, agents, representatives and members of the Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall and does hereby indemnify, defend and agree to forever hold each such officer, agent, representative and member of the Board harmless from any and all liability to others on account of any such contract or commitment. The indemnification, obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative or member of the Board may be entitled, including anything provided to the contrary contained in the Articles of Incorporation or the Bylaws. The Association shall maintain adequate general liability and officers' and directors' liability insurance in order to fulfill its obligations under this Section 4.08 and the costs of such insurance shall constitute a Common Expense.

The ARC is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys in order to advise and assist the ARC in performing its functions set forth herein. Each

member of the ARC may be paid a stipend or honorarium as may from time to time be determined by the Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Master Association, in the event the provisions of Section 5.02(b) above are applicable and shall otherwise be entitled to a reimbursement of expenses incurred on behalf of the ARC, subject to the approval of such expenses by the Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Master Association, in the event the provisions of Section 5.02(b) above are applicable. The Architectural Standards adopted by the ARC shall be in addition to the provisions and requirements set forth in these Covenants and shall be binding upon and enforceable against all Owners.

5.05 Approval of Plans and Specifications.

(a) IN ORDER TO PRESERVE THE ARCHITECTURAL AND AESTHETIC APPEARANCE AND THE NATURAL SETTING AND BEAUTY OF THE DEVELOPMENT, TO ESTABLISH AND PRESERVE A HARMONIOUS DESIGN FOR THE DEVELOPMENT AND TO PROTECT AND PROMOTE THE VALUE OF THE DEVELOPMENT, THE PROPERTY, THE LOTS, THE DWELLINGS AND ALL IMPROVEMENTS THEREON, NO IMPROVEMENTS OF ANY NATURE SHALL BE COMMENCED, ERECTED, INSTALLED, PLACED, MOVED ONTO, ALTERED, REPLACED, RELOCATED, PERMITTED TO REMAIN ON OR MAINTAINED ON ANY LOT OR DWELLING BY ANY OWNER, OTHER THAN DEVELOPER, WHICH AFFECT THE EXTERIOR APPEARANCE OF ANY LOT OR DWELLING UNLESS PLANS AND SPECIFICATIONS THEREFOR HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05(b) BELOW. WITHOUT LIMITING THE FOREGOING, THE CONSTRUCTION AND INSTALLATION OF ANY DWELLINGS, SIDEWALKS, DRIVEWAYS, PARKING LOTS, MAILBOXES, DECKS, PATIOS, COURTYARDS, SWIMMING POOLS, TENNIS COURTS, GREENHOUSES, PLAYHOUSES, AWNINGS, WALLS, FENCES, EXTERIOR LIGHTS, RADIO OR TELEVISION ANTENNAS, GAZEBOS, GUEST OR SERVANTS' QUARTERS, GARAGES OR ANY OTHER OUTBUILDINGS, SHALL NOT BE UNDERTAKEN, NOR SHALL ANY EXTERIOR ADDITION TO OR

CHANGE OR ALTERATION BE MADE (INCLUDING, WITHOUT LIMITATION, PAINTING OR STAINING OF ANY EXTERIOR SURFACE) TO ANY DWELLING OR IMPROVEMENTS, UNLESS THE PLANS AND SPECIFICATIONS FOR THE SAME HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05(b)BELOW.

(b) The ARC is hereby authorized and empowered to approve all plans and specifications and the construction of all Dwellings and other Improvements on any part of the Property. Prior to the commencement of any Dwelling or other Improvements on any Lot or Dwelling, the Owner thereof shall submit to the ARC plans and specification and related data for all such Improvements, which shall include two copies of each of the following:

(i) Plans and specifications at a scale of $1/4" = 1'-0"$ or larger, to include the following:

1. Exterior elevations of all Improvements.
2. Note all finish floor elevations.
3. Note all exterior materials.

(v) A landscaping plan prepared and submitted in accordance with the provisions of Section 5.06 below.

(vi) Such other plans, specifications or other information or documentation as may be required by the Architectural Standards.

(c) The ARC shall, in its sole discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. One copy of all plans, specifications and related data so submitted to the ARC shall be retained in the records of the ARC and the other copy shall be returned to the Owner submitting the same marked "approved", "approved as noted" or "disapproved". The ARC shall establish a fee to be charged to and paid by each Owner who submits plans and specifications to the ARC for approval, which fee shall be sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Notwithstanding anything provided herein to the contrary, an Owner may, without the necessity or requirement that ARC approval or consent be obtained, make interior improvements and alterations within his Dwelling that do not affect exterior appearance and that do not increase the Living Space within such Dwelling as previously approved by the ARC.

(d) The ARC shall have the right to disapprove any plans and specifications upon any ground which is consistent with the objectives and purposes of these Covenants, including purely aesthetic considerations, any failure to comply with any of the provisions of these Covenants or the Architectural Standards, failure to provide requested information, objection to exterior design, appearance or materials, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Development or the Property, objection to the location of any proposed Improvements on any such Lot, objection to the landscaping plan for such Lot or Dwelling, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any Improvement or any other matter which, in the sole judgment of the ARC, would render the proposed

Improvement inharmonious with the general plan of development contemplated for the Development. The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot or Dwelling shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or Dwelling. Approval of plans and specifications by the ARC for Improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot or Dwelling within the Development.

(e) In the event the ARC fails to approve, or "approved as noted", in writing any such proposed plans and specifications within forty-five (45) days after such plans and specifications have been submitted, then the plans and specifications so submitted will be deemed to have been disapproved.

(f) Any revisions, modifications or changes in any plans and specifications previously approved by the ARC must be approved by the ARC in the same manner specified above.

(g) If construction of any Dwelling or Improvements has not substantially commenced (by clearing and grading, pouring of footing and otherwise commencing framing and other related construction work) within one (1) year of approval by the ARC of the plans and specifications for such Dwelling or Improvements, then no construction may be commenced (or continued) on such Lot or Dwelling and the Owner of such Lot or Dwelling shall be required to resubmit all plans and specifications for any such Dwelling or Improvements to the ARC for approval in the same manner specified above.

(h) In addition to the fee charged to and paid by each Owner who submits plans and specifications to the ARC for approval as set forth in Section 5.05(c) above, the Master Association shall establish an impact fee (to be charged to and paid by each such Owner to the ARC at such time as the ARC approves such Owner's plans and specifications), for further payment to the Master Association, which impact fee shall be based on the total number of square feet of Living Space in the Dwelling set forth in such plans and specifications. The Master Association, in its sole discretion, may apply such impact fee to any expenses incurred by the Master Association or the Developer in connection with annexation of the Development, as set forth in Section 12.02 below, or in connection with any private educational facility constructed and operated within the Development which the Developer or the Master Association may, but shall not be obligated, to construct and operate. Nothing in this Section 5.05(h) shall obligate either the Developer or the Master Association to construct or operate any private school or schools and any such construction or operation shall be in the sole discretion of Developer or the Master Association, as applicable.

(i) In addition to all other fees charged to and paid by each Owner pursuant to these Covenants, the Owner of any Lot or Dwelling shall pay such reasonable "tap-on" fees and service fees as may be established by the Master Association, the Developer, or any

municipal association that may have jurisdiction over such matters for any sanitary sewer system serving any such Lot or Dwelling.

(j) Any approval of plans and specifications by the ARC pursuant to this Section 5.05 shall not be construed in any respect as a representation or warranty of the ARC, the Developer, or the Master Association that such plans are in conformity with any applicable rules, regulations, and requirements of any Governmental Authorities or that any such plans or the Dwelling based thereon is properly designed. It shall be the responsibility of each Owner who submits any such plans to the ARC to satisfy himself as to such conformity and proper design.

5.06 Landscaping Approval. In order to preserve, to the extent practicable, the natural landscaping and plant life currently situated on the Property and in order to enhance the aesthetic appearance of the Property, no landscaping, grading, excavation or fill work of any nature shall be implemented or installed by any Owner, other than Developer, on any Lot or Dwelling unless and until landscaping plans therefor have been submitted to and approved by the ARC. The provisions of Section 5.05 above regarding the method that such plans are to be submitted to the ARC, the time for approval or disapproval of the same and the method of approving modifications or changes thereto shall be applicable to such landscaping plans.

5.07 Construction Without Approval. If (a) any Improvements are initiated, installed, maintained, altered, replaced or relocated on any Lot or Dwelling without ARC approval of the plans and specifications for the same or (b) the ARC shall determine that any approved plans and specifications for any Improvements or the approved landscaping plans for any Lot or Dwelling are not being complied with, then, in either event, the Owner of such Lot or Dwelling shall be deemed to have violated these Covenants and the ARC shall have the right to exercise any of the rights and remedies set forth in Section 5.13 below.

5.08 Inspection. The ARC or any agent, employee or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or Dwelling or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefor are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

5.09 Subsurface Conditions.

(a) **The Property is located in an area which includes underground mines or other geological formations or conditions which may result in surface subsidence. Approval of the submitted plans and specifications by the ARC as herein provided shall not be construed in any respect as a representation or warranty of the ARC and/or the Developer and/or the Master Association to the Owner submitting such plans and specifications. It shall be the sole responsibility of the Owner to determine the suitability and adequacy of the surface and subsurface conditions of the Lot for the construction of any and all Dwellings or other Improvements thereon.**

(b) Neither the ARC and its individual members, nor the Master Association and its members, nor the Developer and its partners, agents and employees and the officers, directors, agents and employees of its partners (both in its capacity as a Developer as herein defined and as the owner or prior owner of any minerals subjacent to the Property), shall be liable to any Owner or Occupant, or the successors, assigns, licensees, lessees, employees and agents of any Owner or Occupant, for loss or damage on account of injuries to any parcel of the Property, to any buildings, Improvements, Dwellings or other structures now or hereafter located upon any parcel of the Property, or on account of any past or future injuries to any Owner, Occupant, or any other person in or upon any parcel of the Property, which are caused by, or arise as a result of soil and/or subsurface conditions, known or unknown (including, without limitation, underground mines or other geological formations or conditions) under or on the Property.

5.10 Limitation of Liability. Notwithstanding anything provided herein to the contrary, neither Developer, the Master Association, the ARC, the Association, nor any agent, employee, representative, member, shareholder, partner, joint venturer, officer or director thereof, shall have any liability of any nature whatsoever for any damage, loss or prejudice suffered, claimed, paid or incurred by any Owner on account of (a) any defects in any plans and specifications submitted, reviewed or approved in accordance with the provisions of this Article V, (b) any defects, structural or otherwise, in any work done according to such plans and specifications, (c) the failure to approve or the disapproval of any plans, drawings, specifications or other data submitted by any Owner for approval pursuant to the provisions of this Article V, (d) the construction or performance of any work related to such plans, drawings and specifications, (e) bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of any such Owner or Occupant, or any damage to any Dwellings, Improvements or the personal property of any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of such Owner or Occupant, which may be caused by, or arise as a result of any defect, structural or otherwise, in any Dwellings or Improvements or the plans and specifications therefore or any past, present or future soil and/or subsurface conditions, known or unknown (including, without limitation, underground mines, tunnels or other geological formations or conditions on or under any Lot or Dwelling) and (f) any other loss, claim, damage, liability or expense, including court costs and attorneys' fees, suffered, paid or incurred by any Owner arising out of or in connection with the use and occupancy of any Lot or Dwelling or any Improvements situated thereon.

5.11 Commencement and Completion of Construction.

(a) With respect to each Lot, construction of the Dwelling shall be commenced within one (1) year from the date of purchase of such Lot from Developer. Upon commencement of construction of such Dwelling, construction work thereon shall be prosecuted diligently and continuously and shall be completed within one (1) year of the commencement date of said construction, such completion to be evidenced by a certificate of

occupancy issued by the appropriate Governmental Authorities. In addition to all other rights and remedies for breach of these Covenants, in the event the Owner of any Lot shall fail to commence construction of a Dwelling within (1) year from the date of purchase of such Lot from Developer, then Developer shall have the option, but not the obligation, to repurchase such Lot for an amount equal to the purchase price paid to Developer for such Lot, without interest.

(b) If any Owner who is a participant in Developer's approved builder program ("ABP") fails to comply, in Developer's sole discretion, with all terms, conditions and provisions of the ABP, Developer shall have the right, but not the obligation, to repurchase any Lot owned by any such Owner upon which construction of a Dwelling or site preparation has not yet commenced, at an amount equal to the purchase price paid to Developer for such Lot, without interest.

5.12 Sales and Construction Activities. Notwithstanding any provisions or restrictions contained in these Covenants to the contrary, Developer, its agents, employees, successors and assigns, shall have the right and option to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale of Lots and/or Dwellings or the development of Lots, Dwellings, Common Areas and the Additional Property, including, without limitation, the installation and operation of sales and construction trailers and offices, signs and model Dwellings, all as may be approved by Developer from time to time; provided, however, that the location of any construction trailers of any assignees of Developer's rights under this Section 5.12 shall be subject to Developer's approval. The right to maintain and carry on such facilities and activities shall include, without limitation, the right to use Dwellings as model residences and as offices for the sale of Lots and/or Dwellings and for any related activities.

5.13 Enforcement and Remedies. In the event any of the provisions of this Article V are breached or are not otherwise being complied with in all respects by any Owner or Occupant or the respective family members, guest, invitees, agents, employees or contractors of any Owner or Occupant, then the ARC and the Master Association shall each have the right, but not the obligation, at their option to (a) enjoin any further construction on any Lot or Dwelling and require the removal or correction of any work in place which does not comply with the plans and specifications approved by the ARC for such Improvements and/or (b) through their designated agents, employees, representatives and independent contractors, enter upon such Lot or Dwelling and take all action necessary to extinguish such violation or breach. All costs and expenses incurred by the ARC or the Master Association in enforcing any of the provisions of this Article V, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners and any other persons involved in the correction of nonconforming work, the completion of uncompleted work or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Master Association in causing any Owner or such Owner's contractors, agents or invitees to comply with the terms and provision of this Article V, shall be paid by such Owner, shall constitute an individual Assessment to such Owner pursuant to

Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.10 below and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the right and remedies of the ARC and the Master Association set forth herein shall not be deemed exclusive of any other rights and remedies which the ARC or the Master Association may exercise at law or in equity or any of the enforcement rights specified in Section 6.38, 8.10, 11.01, 11.02 and 11.03 below.

5.14 Compliance Certification. The ARC or any authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to an Owner a certificate in writing setting forth whether all necessary ARC approvals have been obtained and whether any Dwelling or Improvement has been constructed in accordance with the provisions of these Covenants. Any such approval shall not be construed in any respect as a representation or warranty of the ARC and/or Developer and/or the Master Association that all applicable rules, regulations and requirements of all Governmental Authorities with respect to any such Lot or Dwelling have been fulfilled.

5.15 Repurchase Option. In the event the Owner of any Lot desires to convey such Lot prior to the expiration of one (1) year after the purchase of such Lot from Developer, and in the event the Owner has not then commenced construction of a Dwelling thereon, Developer shall have and retains the option, but not the obligation, to purchase such Lot for an amount equal to the purchase price paid to Developer for the Lot, without interest. Any such Owner shall give Developer written notice of such Owner's desire to sell such Lot, and Developer shall have thirty (30) days after receipt thereof to exercise Developer's option to purchase such Lot.

ARTICLE VI

USE AND DEVELOPMENT RESTRICTIONS

6.01 Use Restrictions. Except as otherwise provided to the contrary in Section 5.12 above and in this Section 6.01, each Lot and Dwelling shall be used for Residential Use only and no trade or business of any kind may be carried on in or from any Lot or Dwelling. The use of any portion of a Dwelling as an office by an Owner shall not be considered a violation of this covenant provided such use does not create regular customer, client or employee traffic, and further provided any such use is in compliance with all applicable rules, regulations and ordinances of any Governmental Authority having jurisdiction thereof. The leasing or rental of any Lot or Dwelling shall be allowed only with the prior written approval of the ARC and Developer; provided, however, that Developer shall have the perpetual right to designate from time to time any Dwellings owned by Developer, its successors and assigns, which may be leased for such periods of time as Developer may determine, including daily or weekly rentals. Notwithstanding anything provided in this Section 6.01 to the contrary, the Property or any portion thereof, including, specifically, any Lots constituting any portion of the Property, may be used and developed for (i) any of the uses included in the definition of

Common Areas and (ii) any uses permitted under applicable zoning ordinances affecting the Property; provided, however, that in the event any portion of the Property is to be developed or used for any purpose other than Common Areas or single-family detached residential purposes, then such use must first be approved in writing by the ARC and the Developer.

All utility lines, pipes, conduits and wiring for electrical, gas, telephone, water, sewer, cable television, security and any other utility service for any portion of the Property shall be installed and maintained below ground. To the extent any Lot is approved by Developer and the applicable Governmental Authorities for installation of a septic tank system on such Lot, the Owner of such Lot will install and utilize a septic tank system on such Lot. At such time as a sanitary sewer system becomes available to the Property, Developer or the Master Association may, in their sole discretion, require each Owner to connect such Owner's Lot and Dwelling to such sanitary sewer system subject to the established connection fee and ongoing monthly service fees.

6.04 Building Setbacks.

(a) Subject to the provisions of Section 6.05 below, minimum building setback lines for all Dwellings shall be established either (i) by the ARC, (ii) on the recorded subdivision plat for the subdivision of which such Lot is included (which may vary for each phase of the Development), or (iii) in the deed from Developer to the Owner of such Lot, all in accordance with applicable rules, regulations and ordinances of any Governmental Authority having jurisdiction thereof.

(b) A buffer zone of 15 feet containing absolutely undisturbed land, trees, undergrowth and other vegetation, is required on each side and rear Lot line. In the event that such buffer zone contains no major trees, is unsightly or, in the sole discretion of the ARC, is otherwise impractical to maintain in an undisturbed state and retain efficient and functional use of such Lot, then the ARC may, in its sole discretion, consider a proposal for aesthetic improvements and/or other modifications to such buffer zone. Such consideration will be extended on a Lot by Lot basis in the ARC's sole discretion.

(c) No Dwelling shall be built within the setback areas established in Section 6.04(a). All eaves, steps, porches, terraces, decks, walks and patios shall be deemed a part of the Dwelling for the purposes of determining building setback areas pursuant to this Section 6.04.

Notwithstanding anything provided in Section 6.04 above to the contrary, the ARC may require building setback requirements different from those described in Section 6.04, including building setbacks which are greater than those specified in Section 6.04 above.

6.06 Trees. No Owner, other than Developer, shall cut, remove or mutilate any tree, shrub, bush or other vegetation having a trunk diameter of six (6) inches or more, and located on any Lot prior to any construction or clearing activity on such Lot, without first obtaining the approval of the ARC; provided, however, that the foregoing shall not be deemed to prohibit the cutting and removal of any dead or diseased trees certified as such by the ARC nor shall the foregoing be deemed to release any Owner from the provisions of Section 6.10 and 7.01 below.

(b) All front and side yards of each Lot shall be sodded with grass and irrigated by an automatic sprinkler system, unless approved by the ARC as a natural area or unless the same is landscaped with shrubbery and other approved plant life and served by an appropriate irrigation system. (d) No hedge or shrubbery planting which obstructs sight-lines of streets and roadways shall be placed or permitted to remain on any Lot or Dwelling where such hedge or shrubbery interferes with traffic sight-lines for roadways within the Property. The determination of whether any such obstruction exists shall be made by the ARC, whose determination shall be final, conclusive and binding on all Owners.

(h) No Owner shall allow the lawn grass on his or her Lot or Dwelling to grow to a height in excess of six (6) inches, measured from the surface of the ground.

(vi) All ad valorem real and personal property taxes assessed and levied upon any of the Common Areas;

8.05 Special Assessments. In addition to the annual Assessments authorized in Section 8.04 above and the special Assessments authorized in Section 9.01(b) and 9.03(a)(i) below, the Board of the Association, subject to prior written approval of the Master Association, may levy in any year special Assessments for Common Expenses or any extraordinary costs incurred by the Association; provided, however, that any such special Assessments (other than special Assessments levied pursuant to Section 9.01(b) and 9.03(a)(i) below) shall be approved by a majority of the votes of the Owners who are voting in person or by proxy at the meeting called for the purpose of adopting special Assessments pursuant to the provisions of Section 8.08 below. The Board may make such special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.03 above.

8.06 Individual Assessments. Any expenses of the Master Association or the Association which, in the opinion of the Association, is occasioned by the conduct of less than all of the Owners or by an Owner or Occupant, or the respective family members, agents, guest, servants, employees, invitees or contractors of any Owner or Occupant, shall be specially assessed against such Owners and their respective Lots or Dwellings. The individual Assessments provided for in this Section 8.06 shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board in a notice to such Owner. The provisions of this Section 8.06 shall apply, without limitation, to any individual Assessments levied pursuant to Sections 5.13, 6.23, 6.24(a), 6.32, 6.38, 7.02(b) and 11.01 hereof.

8.07 Allocation of Assessments. All funds collected by the Association through annual Assessments, special Assessments and individual Assessments shall be retained by the Association except that the Association shall pay to the Master Association a portion of all such collected funds to cover a proportionate share of the Master Association Expenses, which proportionate share shall be determined by the Master Association, in its sole discretion.

8.08 Notice of Meetings and Quorum.

(a) Written notice of each annual meeting of the Association shall be sent to all Owners not less than ten (10) days nor more than fifty (50) days in advance of such meeting. With respect to annual meetings, the presence in person or by proxy of Owners entitled to cast over 50% of all the votes of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, except as hereinafter provided, but the required quorum at the subsequent meeting shall be the presence in person or by proxy of Owners entitled to cast at least one-third (1/3) of the total votes of the Association. Any notice for any such subsequent meeting shall state that the necessary quorum therefor shall be one-third (1/3) of the total votes of the Association present in person or by proxy. At such time as a quorum is obtained, the vote of a majority of the Owners who are voting in person or by proxy at such meeting shall be required to approve any matter in which all of the members of the Association are entitled to vote.

(b) Written notice of any meeting of the Association other than an annual meeting shall be sent to all Owners not less than five (5) days nor more than twenty (20) days in advance of such meeting. With respect to any such other meeting of the Association, including, specifically, meetings pursuant to which special Assessments are to be levied upon each Lot or Dwelling pursuant to Section 8.05 above, there shall be no specific requirement establishing a quorum and the vote of a majority of the Owners who are voting in person or by proxy at any such special meeting shall be binding on all of the members of the Association.

8.09 Date of Commencement of Assessments. The annual Assessments provided for herein shall commence as to each Lot or Dwelling on the day on which such Lot or Dwelling

is conveyed to a person other than Developer and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board of the Association, subject to the prior written approval of the Master Association. Annual Assessments and any outstanding special Assessments shall be adjusted for each Lot or Dwelling according to the number of months then remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot or Dwelling is conveyed. Annual and special Assessments for lots and dwellings within any portion of the Additional Property hereafter submitted to the terms of these Covenants, or any other portion of the Vestlake Property, shall commence with respect to each such lot or dwelling on the date on which such lot or dwelling is conveyed to a person other than Developer, subject to proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. Notwithstanding anything provided herein to the contrary, Developer shall not be responsible for the payment of annual or special Assessments on any lots or dwelling which it or its affiliates own in the Development. Furthermore, for so long as Developer is the owner of any portion of the Vestlake Property, or until such earlier date as Developer may elect, in Developer's sole discretion, Developer shall have the option to either pay annual Assessments on lots or dwellings owned by Developer in the Vestlake Property or advance any deficits which may exist between the total amount of annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses for the Vestlake Property. At such time as Developer no longer has any interest in any portion of the Vestlake Property, Developer shall have no further obligation of any nature to pay any Assessments or otherwise fund any deficits relating to the Common Expenses.

8.10 Effect of Non-Payment; Remedies of the Association.

(a) Each Owner of a Lot or Dwelling is and shall be deemed to covenant and agree to pay to the Association all Assessments provided for herein. In the event any Assessments or any portion thereof are not paid when due, the same shall be subject to a late charge in an amount determined and uniformly applied by the Board from time to time and the Owner of such Lot or Dwelling shall be deemed in default herewith. In the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessment shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30th) day from the due date until the same is paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot or Dwelling for Assessments as provided above shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

(b) In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same becomes due, then in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments and any such judgment rendered in any such action shall include the late charge and interest at the Applicable Rate, as specified in Section 8.10(a) above, together with attorneys' fees, court costs and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

(ii) The Association may enforce the lien created pursuant to Section 8.01 above in the manner hereinafter provided.

(c) There is hereby created a continuing lien on each Lot and Dwelling, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot or Dwelling, all late charges and interest at the Applicable Rate assessed pursuant to Section 8.10(a) above and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in collecting any Assessments. If any Assessments remain unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim of lien and perfect its lien against the Lot or Dwelling of such delinquent Owner, which claim shall be executed by any member of the Board of the Association or any officer of the Association, contain the following information and be recorded in the Probate Office of Jefferson County, Alabama:

(i) The name of the delinquent Owner;

(ii) The legal description and street address of the Lot or Dwelling upon which the lien claim is made;

(iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) A statement that the claim of lien is made by the Association pursuant to these Covenants and is claimed against such Lot or Dwelling in an amount equal to that stated therein.

Except as provided in Section 8.10(d) below, the lien provided for herein shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default) and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot or Dwelling. Each Owner, by acceptance of a deed to any Lot or Dwelling, shall be deemed to (1) grant to and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

(d) In the event the Association fails for any reason to exercise its rights under this Section 8.10, the Master Association may exercise such rights, and all provisions, rights and benefits under this Section 8.10 shall in that event inure to the benefit of the Master Association.

8.11 Subordination of Lien. Notwithstanding anything provided herein to the contrary, the lien for Assessments and other charges authorized herein with respect to any Lot or Dwelling in the Development is and shall be subordinate to the lien of any Mortgage held by an Institutional Mortgagee, but only to the extent that the Mortgage held by any such Institutional Mortgagee is recorded in the Probate Office of Jefferson County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.10(c) above, or by the Master Association pursuant to Section 8.10(d) above. When an Institutional Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot or Dwelling, then such Institutional Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Institutional Mortgagee was recorded in the Probate Office of Jefferson County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.10(c) above, or by the Master Association pursuant to Section 8.10(d) above, but (b) be liable for all Assessments other charges levied, assessed or incurred with respect to such Lot or Dwelling from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot or Dwelling has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed or incurred by the Association and the Association, or the Master Association, as the case may be, shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by an Institutional Mortgagee on such Owner's Lot or Dwelling.

8.12 Certificates. The Association or any officer or authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

ARTICLE IX

CASUALTY, CONDEMNATION AND INSURANCE

9.01 Damage or Destruction to Common Areas.

(a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Master Association shall promptly repair, replace and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to such fire or other casualty.

(b) Notwithstanding anything provided in Section 9.01(a) above, in the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace and restore the damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association, subject to the prior written approval of the Master Association, may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Section 8.05 or 8.08 above, which such special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs necessary to repair, replace or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Such proportionate share shall be determined by a fraction, the numerator of which shall be the total area of the Property and the denominator of which shall be the total area of the Development. Such special Assessments shall be levied against each Lot or Dwelling equally as provided in Section 8.03 above. Further special Assessments may be made by the Board, subject to the prior written approval of the Master Association, on a proportionate share basis, as described above, without the necessity of a vote of the Owners approving or disapproving the same at any time during or upon completion of any such repair, replacement or restoration of the Common Areas if funds are insufficient to cover the costs of such repair or restoration. The Association shall pay to the Master Association any such special Assessments paid to the Association under this Section 9.01(b). Any and all insurance proceeds received by the Master Association on account of any damage to or destruction of any of the Common Areas or any sums paid to the Master Association by the Association under or by virtue of such special Assessments shall be held by and for the benefit of the Master Association and shall be disbursed by the Master Association in payment for the costs of such repair or restoration in such manner as may be determined by

the Master Association. In no event shall the Association or the Owner or Mortgagee of any Lot or Dwelling be entitled to any portion of any special Assessments or proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

9.02 Damage or Destruction to Lots and Dwellings. In the event of any fire or other casualty which damages or destroys any portion of any Lot or Dwelling, then the Owner of such damaged Lot or Dwelling shall promptly repair and otherwise restore such Lot or Dwelling to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred eighty (180) days following the occurrence of such fire or other casualty. The Owner of any such damaged Lot or Dwelling shall proceed diligently and complete all such restoration and repair no later than one (1) year following the occurrence of such fire or other casualty. In the event the restoration or repair of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such fire or other casualty and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly manner.

9.03 Condemnation of Common Areas.

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, the award from such taking or sale in lieu thereof shall be paid to the Master Association and shall be disbursed or held as follows:

(i) To the extent the Common Areas subject to such taking can either be restored or replaced, then, to the extent practicable, the Master Association shall take such action, including the utilization of any other Common Areas within the Development, to restore, rebuild or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association, subject to prior written approval of the Master Association, may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Section 8.05 and 8.08 above, which such special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs of repair, restoration or reconstruction. Such proportionate share shall be determined by a fraction, the numerator of which shall be the total area of the Property, and the denominator of which shall be the total area of the Development. Such special Assessments shall be levied against each Owner as provided in Section 8.03 above. Further special Assessments may be made

by the Board, subject to the prior written approval of the Master Association, on a proportionate share basis, as mentioned above, without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon the completion of any such repair, replacement or restoration of the Common Areas if the award received as a result of such taking is insufficient to pay the costs of such repair or restoration. The Association shall pay to the Master Association any such special Assessments paid to the Association under this Section 9.03(a).

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or if the Master Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and for the benefit of the Master Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and for the benefit of the Master Association, without any claim thereto by the Association or any Owner. Except as specifically provided in Section 9.03(c) below, no Owner or Mortgagee of any Lot or Dwelling shall be entitled to any portion of the award made to the Master Association as a result of the taking of any portion of the Common Areas.

(c) If any such taking or sale in lieu thereof includes all or any part of a Lot or Dwelling and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the Master Association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot or Dwelling which is subject to any such taking and the Master Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

9.04 Condemnation of Lots and Dwellings. In the event that all or any portion of a Lot or Dwelling is taken as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot or Dwelling responsible for the maintenance and repair of such Lot or Dwelling shall promptly repair, reconstruct, rebuild and otherwise restore the remaining portions of the Lot or Dwelling as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. In the event the restoration of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly condition.

9.05 Insurance.

(a) The Master Association shall have the right and authority to obtain and maintain at all times adequate property and casualty insurance in such form as the Master Association deems appropriate for the benefit of the Master Association insuring all insurable Improvements in and to the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism and malicious mischief, which coverage shall be in an amount, with such insurance carriers, at such costs and with such deductibles as the Master Association, in its sole discretion, may determine.

(b) The Master Association shall have the right and authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas in such amounts, with such insurance carriers, at such costs and with such deductibles as the Master Association, in its sole discretion, may deem necessary or desirable.

(c) The Board shall have the right and authority to obtain workman's compensation insurance, employer's liability insurance, public liability insurance, and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board, in its sole discretion, may determine.

(d) All insurance coverage authorized in Section 9.05(c) above shall be written in the name of the Association and all costs thereof shall be a Common Expense. To the extent the same may be obtained at a nominal cost, all such policies shall contain a waiver of subrogation clause pursuant to which the insurer waives any claims against the Developer, the Master Association, the Association, the members of the Board and all officers, agents and employees of the Association, including the manager for the Development, the Master Association and the Association, the Owners and the family members, servants, agents, tenants and guests, of the Owners and shall also name Developer as an additional insured.

(e) All insurance coverages required in Sections 9.05(a) and 9.05(b) above shall be written in the name of the Master Association and a proportionate share of all costs thereof shall be a Common Expense. Such proportionate share shall be determined by a fraction, the numerator of which shall be the total area of the Property and the denominator of which shall be the total area of the Development at the time such costs are incurred.

(f) Each Owner shall be solely responsible for obtaining and maintaining public liability, property damage, title and all other types of insurance with respect to his or her Lot and Dwelling. The Board may require all Owners to carry public liability insurance with respect to their respective Lots and Dwellings and to furnish copies or certificates thereof to the Association. Each Owner, by acceptance of a deed or other instrument conveying any interest in any Lot or Dwelling, does hereby waive and release Developer, the Master Association, the ARC, the Association, the manager of the Development, the Master Association and the Association and their respective agents, employees, representatives,

partners, shareholders, members, officers and directors, from any and all liabilities or damage covered by (or which should be covered by) fire and casualty (e.g., homeowner's and/or builder's risk) insurance and general liability insurance which any Owner maintains, even if such loss or damage has been caused by the fault or negligence of any of the foregoing persons or parties.

ARTICLE X

TERM AND AMENDMENTS

10.01 Term. The terms, covenants, conditions and restrictions set forth in these Covenants shall run with and bind all of the Property, shall inure to the benefit of all Owners and Mortgagees and their respective heirs, executors, personal representatives, administrators, successors and assigns, and shall be and remain in effect for a period of ninety-nine (99) years from and after the date hereof, after which time these Covenants shall be automatically renewed and extended for successive and continuous periods of ten (10) years each, unless, at any time after twenty (20) years from the date hereof, an agreement executed by the Owners of at least two-thirds (2/3) or more of the Lots or Dwellings within the Property agreeing to terminate or modify these Covenants has been recorded in the Probate Office of Jefferson County, Alabama; provided, however, that the rights of way and easements established, granted and reserved in Article III hereof shall continue and remain in full force and effect for the time periods and duration specified therein.

For so long as Developer owns any Lot, or Dwelling within the Property, or until such earlier date as Developer elects, in Developer's sole discretion, Developer may amend these Covenants by a written instrument filed and recorded in the Probate Office of Jefferson County, Alabama, without obtaining the approval of any Owner or Mortgagee; provided, however, that except as otherwise provided in Section 10.04 below, (a) in the event any amendment proposed by Developer materially and adversely alters or changes any Owner's rights to the use and enjoyment of his or her Lot or Dwelling or materially and adversely affects the title to any Lot or Dwelling, then such amendment shall be valid only upon the written consent thereto by the affected Owner or, alternatively, by fifty percent (50%) of all of the Owners (including Developer who shall have the voting rights attributable to any Lots or Dwellings owned by Developer) or (b) in the event any such proposed amendment by Developer would materially and adversely affect the title and interest of any Institutional Mortgagee, such amendment shall be valid only upon the written consent thereto of all such Institutional Mortgagees affected thereby. Any amendment made pursuant to this Section 10.02 shall be certified by Developer and shall be effective upon recording of the same in the Probate Office of Jefferson County, Alabama. Each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, and each Mortgagee, by acceptance of a Mortgage on any Lot or Dwelling, agrees to be bound by all amendments permitted by this Section 10.02 and further agrees that, if requested to do so by Developer, such Owner and Mortgagee will consent to the

amendment of these Covenants or any other instrument relating to the Property or the Association if such amendment is (i) necessary to bring any provision hereof into compliance or conformity with the provisions of any law, ordinance, statute, rule or regulation of any applicable Governmental Authority or the judicial decision of any state or federal court, (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any Lot or Dwelling, (iii) required by any Institutional Mortgagee in order to enable such Institutional Mortgagee to make a Mortgage loan on any Lot or Dwelling or (iv) necessary to enable any governmental agency or reputable private insurance company to insure Mortgages on any Lot or Dwelling within the Property.

10.03 Amendments by Association. Amendments to these Covenants, other than those authorized by Section 10.02 above, shall be proposed and adopted by the Association in the following manner, subject to the prior written approval of the Master Association:

(a) At any annual or special meeting of the members of the Association, an amendment to these Covenants may be proposed by either the Board of the Association or by any Owners present in person at such meeting. Any such proposed amendment must be approved by the Owners holding at least two-thirds (2/3) of the total votes in the Association; provided, however, that (i) for so long as Developer owns a Lot or Dwelling within the Property, or until such earlier date as Developer elects, in Developer's sole discretion, Developer must approve such proposed amendment and (ii) to the extent the proposed amendment affects any of the matters described in Section 10.04 below, then the provisions of Section 10.04 below shall be applicable to such proposed amendment.

(b) Any and all amendments which have been approved in accordance with the provisions of Section 10.03(a) above shall be executed by all parties whose consent to the same is required, including the Owners holding at least two-thirds (2/3) of the total votes in the Association; provided, however, that in the alternative, the sworn statement of the President of the Association or by the Chairman of the Board stating unequivocally that the agreement of the requisite number of Owners was lawfully obtained may be attached to and incorporated into such amendment without the written consent of any Owner. Any such amendment shall be effective upon recording of the same in the Probate Office of Jefferson County, Alabama.

10.04 Restrictions on Amendment. Any such suspension of rights may be for the duration of the infraction.

ARTICLE XII

MISCELLANEOUS PROVISIONS

12.01 Control by Developer. NOTWITHSTANDING ANYTHING PROVIDED TO THE CONTRARY IN THESE COVENANTS, THE ARTICLES OF INCORPORATION, THE BYLAWS OR IN ANY OTHER DOCUMENT OR INSTRUMENT RELATING TO THE PROPERTY, DEVELOPER HEREBY RETAINS THE RIGHT TO APPOINT AND REMOVE ANY MEMBER OR MEMBERS OF THE BOARD OF THE ASSOCIATION AND ANY OFFICER OR OFFICERS OF THE ASSOCIATION AS PROVIDED BY AND FOR THE PERIOD OF TIME SET FORTH IN SECTION 4.02 ABOVE. Each Owner, by acceptance of a deed or other conveyance of any interest in a Lot or Dwelling, agrees that Developer shall have the authority to appoint and remove members of the Board and officers of the Association in accordance with the foregoing provisions of this Section 12.01 and the provisions of Section 4.02 above. At such time as Developer no longer owns any interest in any portion of the Vestlake Property, or at such earlier date as Developer elects, in Developer's sole discretion, a special meeting of the Association shall be called within a reasonable time thereafter at which time the Owners shall elect a new Board which shall undertake the responsibilities of the Board and Developer shall deliver all books, accounts and records of the Association, if any, which Developer has in its possession.

12.02 Annexation. The Development has been annexed primarily by legislative act of the Legislature of Alabama into the City of Vestavia Hills, Alabama (the "Municipality"). Annexation by legislative act of the Legislature of Alabama is a method not customarily used in Alabama, and may be subject to judicial interpretation. Developer makes no representation or warranty as to the validity or enforceability of the Annexation. Additional property in the Development may be annexed into the Municipality either by legislative act or by other methods provided by law. Developer reserves the right, but shall not be obligated, to de-annex the Development out of the Municipality in connection with the control or settlement of any litigation or administrative proceeding (collectively, the "Litigation") in which the annexation or the annexation act is challenged. Each Owner, by acceptance of a deed or other conveyance of any interest in any Lot or Dwelling, and each Mortgagee, by the acceptance of any Mortgage on any Lot or Dwelling, to the extent not prohibited by law, hereby (1) agrees that Developer, in Developer's sole discretion, shall have the authority to de-annex the Development out of the Municipality in connection with the control or settlement of any Litigation, and (2) appoints Developer as such Owner's or Mortgagee's attorney-in-fact for executing any documents or taking any other action on behalf of such Owner or Mortgagee which Developer, in Developer's sole discretion, may deem necessary or desirable to either

effectuate and complete the annexation of the Development into the Municipality or effectuate the de-annexation of the Development out of the Municipality. The power and authority herein granted is irrevocable and a power coupled with an interest which shall survive the death or dissolution of any Owner or Mortgagee and shall be binding on all Owners and Mortgagees, and their respective heirs, administrators, personal representatives, successors and assigns.

12.03 Legal Expenses. In addition to the rights and remedies set forth in Sections 5.13, 6.23, 6.24(a), 6.32, 6.38, 7.02(b), 8.09 and in Article XI above, in the event either the Master Association, its agents or representatives, the ARC, its agents or representatives, or the Board, its agents and representatives, undertake any legal or equitable action which either of them deem necessary to abate, enjoin, remove or extinguish any violation or breach of these Covenants, then all costs and expenses incurred by either of them, including, without limitation, attorneys' fees and court costs, in enforcing any of the terms, provisions, covenants or conditions in these Covenants shall be paid for by the Owner against whom such action was initiated. The Master Association, its agents and representative, the ARC, its agents and representatives, and the Board, its agents and representatives, are each hereby authorized to take any and all legal or equitable action as may be necessary under the circumstances to restrain or enjoin any such violation or breach or to otherwise seek monetary damages as a result of any expenses incurred by either the ARC or the Association to cure such violation or breach.

12.04 Severability. If any provision of these Covenants or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of these Covenants or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby and each provision shall be valid and enforceable to the fullest extent permitted by law.

12.05 Captions and Headings. The captions and headings contained in these Covenants are for convenience of reference only and shall not be used in the construction or interpretation of any provisions of these Covenants. The table of contents, cover page and any index to these Covenants are for convenience of reference only and shall not define or limit any of the terms and provisions hereof.

12.07 Binding Effect. The terms and provisions of these Covenants shall be binding upon each Owner, Occupant and Mortgagee and the respective heirs, executors, administrators, personal representatives, successors and assigns of each Owner, Occupant and Mortgagee, and shall inure to the benefit of Developer, the Master Association, the ARC, the Association, all of the Owners and their respective Mortgagees and their respective heirs, executors, administrators, personal representatives, successors and assigns.

12.08 Conflict or Ambiguity. In the event of any conflict or ambiguity in the terms and provisions of these Covenants, the general rules of construction against one party as a result of that party having drafted these Covenants are hereby waived by each Owner and, to the fullest extent allowed by law, no conflicts or ambiguity shall be resolved in favor or to the advantage of one party as opposed to another in interpreting any ambiguity or conflict contained herein.

12.09 No Reverter. No restriction or provision hereof is intended to be or shall be construed as a condition subsequent or a possibility of reverter in favor of Developer nor shall any provision be deemed to vest any reversionary interest in Developer.

12.10 Interpretation. In all cases, the provisions set forth and provided for in these Covenants shall be construed together and given that interpretation or construction which, in the opinion of Developer, the Master Association or the Board, as the case may be, will best effect the intent of the general plan of development for the Property. The provisions hereof shall be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication so as to make them fully effective. The provisions of these Covenants shall be given full force and effect notwithstanding the existence of any zoning ordinance or building codes which are less restrictive. The effective date of these Covenants shall be the date hereof. These Covenants shall be construed under and in accordance with the laws of the State of Alabama.

12.11 Right of Third Parties. These Covenants shall be recorded for the benefit of Developer, the Master Association, the Association, the Owners and their respective Mortgagees and by such recording, no other adjoining property owner or third party shall have any right, title or interest whatsoever in the Property or the Development or the operation and continuation of either, in the enforcement of any of the provisions of these Covenants or the right to consent to or approve any amendment or modification to these Covenants.

12.12 No Trespass. Whenever the Master Association, the Association, Developer, the ARC and their respective agents, employees, representatives, successors and assigns, are permitted by these Covenants to enter upon or correct, repair, clean, maintain or preserve or do any other action within any portion of a Lot or Dwelling, the entering thereon and the taking of such action shall not be deemed a trespass.

12.13 No Partition. Each Owner hereby waives any right to seek or obtain judicial partition of any portion of the Property or the Development.

12.14 Reservation of Rights. Notwithstanding anything provided herein to the contrary, no sale, transfer, conveyance, lease, pledge, encumbrance or other hypothecation of any Lot or Dwelling by Developer to a third party shall constitute or be deemed a transfer of any of the rights reserved herein to Developer unless reference is made in such instrument of

conveyance to the specific rights created in these Covenants which Developer is transferring to any such third party.

12.15 Standards for Review. Whenever in these Covenants Developer, the Master Association, the Association or the ARC has the right to approve, consent to, or require any action be taken pursuant to the terms hereof, such approval, consent or required action shall, except as otherwise specifically provided herein to the contrary, be given or withheld in the sole and absolute discretion of Developer, the Master Association, Association or the ARC, as the case may be.

12.16 Oral Statements. Oral statements or representations by Developer, the Master Association, the Association, the ARC or any of their respective employees agents, representatives, successors or assigns, shall not be binding on Developer, the Master Association, the Association or the ARC.

12.17 Notices. Notices required hereunder shall be in writing and shall be delivered by hand, by overnight courier, telecopied, or sent by registered or certified United States Mail, postage prepaid return receipt requested. Any notice so addressed and mailed shall be deemed to be given five (5) days after deposit in the United States Mail, and if delivered by hand, shall be deemed to be given when delivered, and if telecopied or delivered by overnight courier, shall be deemed to be given on the business day immediately following the day on which it was sent or delivered. All notices to Owners shall be delivered or sent to such addresses as have been designated in writing to the Association or, if no such address has been so designated, at the address of such Owner's respective Lot or Dwelling within the Property. All notices to the Master Association, the Association or the ARC shall be delivered or sent in care of Developer to the following address:

12.18 Assignment. Subject to the provisions of Section 12.14 above, Developer, the Master Association and the ARC shall each have the right to assign any and all of the rights, powers, reservations and duties contained herein to any person or entity who shall thereupon have the same rights, power, reservations and duties as Developer, the Master Association, and the ARC, respectively.

12.19 Further Assurances. Each Owner covenants and agrees to execute, sign and deliver, or cause to be executed, signed and delivered and to otherwise do or make or cause to be done and made, any and all agreements, instruments, papers, deeds, acts or things, supplemental, conformity or otherwise, which may be reasonably requested by Developer, the Master Association, the Association or the ARC for the purpose of or in connection with clarifying, amending or other consummating any of the transactions and matters herein.

12.20 No Waiver. All rights, remedies and privileges granted to Developer, the Master Association, the Association and the ARC pursuant to the terms and provisions of these Covenants shall be deemed to be cumulative and the exercise of any one or more of such rights, remedies or privileges shall not be deemed to constitute an election of remedies nor shall it preclude the party exercising the same, or any other party, from pursuing such other and/or additional rights, remedies or privileges as may be available to such party at law or in equity. The failure at any time to enforce any covenant or restriction set forth herein shall in no event be deemed a waiver of the right thereafter to enforce such covenant or restriction.

IN WITNESS WHEREOF, Developer has caused these Covenants to be duly executed as of the day and year first above written.

Each such rule and regulation shall be binding upon all Vestlake Owners and Occupants of Lots and Dwelling within the VestView Property until and unless any such rule or regulation is specifically overruled, canceled or modified by the Vestlake Board or by the majority vote of the total votes of the Vestlake Owners of Lots or Dwellings within the VestView Property at any regular or special meeting of the Vestlake Association; provided, however, that no such rule or regulation may be overruled, canceled or modified unless such action is also approved by Developer for so long as Developer owns any portion of the Vestlake Property or until such earlier date as Developer elects in Developer's sole discretion, to relinquish such right.

6. In addition to the ARC's authority set forth in Section 5.04 of the Covenants, the ARC shall have the power and authority to promulgate and amend or modify from time to time written Supplemental Architectural Standards in connection with the development of the VestView Property which shall supersede, amend and/or replace all or any part of the provisions and requirements set forth in Articles V and VI of the Covenants, to the extent authorized by the ARC from time to time, in its sole discretion, and shall be binding upon and enforceable

against all Vestlake Owners and Occupants of Lots or Dwellings within the VestView Property. The initial Supplemental Architectural Standards for the VestView Property are set forth on Exhibit "B", attached hereto and incorporated herein by reference.

7. For purposes of the Assessments set forth in Sections 8.03, 8.04 and 8.05 of the Covenants, the term "Common Expenses" shall not include the VestView Amenities Expenses. In addition to the Assessments set forth in the Covenants, the following shall be assessed against the Vestlake Owners of Lots or Dwellings within the VestView Property and their respective Lots and Dwellings within the VestView Property in the following manner:

A. **Annual Assessments.** The VestView Amenities Expenses shall be annually assessed, at a uniform pro rata rate, against the Vestlake Owners of Lots or Dwellings within the VestView Property and their respective Lots and Dwellings within the VestView Property. The annual Assessments to fund the VestView Amenities Expenses provided for herein associated with the base level of maintenance and operation of the initial VestView Amenities as established in Section 4 of this Amendment shall be adopted annually by the Master Association Board, with cooperation from the Vestlake Association, as part of the annual budget of the Master Association provided for in Section 8.04 of the Covenants, and shall cover the estimated VestView Amenities Expenses for the upcoming year. The amount of the VestView Amenities Expenses set forth in the annual budget of the Master Association shall constitute the aggregate amount of annual Assessments for the VestView Amenities for the then applicable year and each Vestlake Owner of a Lot or Dwelling within the VestView Property shall pay his or her pro rata share of the same as provided in this Section.

B. **Special Assessments.** In addition to the annual Assessments provided in this Section 7, the Vestlake Board, subject to the prior written approval of the Master Association, may levy in any year special Assessments to fund any improvement and/or increase of the VestView Amenities and the VestView Amenities Expenses approved by the Vestlake Owners of Lots or Dwellings within the VestView Property, subject, however, to the approval of a majority of the votes of the Vestlake Owners of Lots or Dwellings within the VestView Property who are voting in person or by proxy at a special meeting called for the purpose of adopting said special Assessments.

C. **Levy and Collection.** The annual and special Assessments levied herein shall be enforced and collected in accordance with the terms and provisions of the Covenants.

D. **Acknowledgements of Vestlake Owners within VestView Property.** By acceptance of a deed to a Lot or Dwelling within the VestView Property, each Vestlake Owner of a Lot or Dwelling within the VestView Property acknowledges and agrees:

(i) the Vestlake Owners of Lots or Dwellings within the VestView Property shall have no right to vote upon nor approve the amount of the VestView Amenities Expenses associated with the base level of maintenance and operation of the initial VestView Amenities as established by the Developer or the Master Association Board to preserve the aesthetic quality of the VestView Amenities in a manner consistent with the quality generally established within the Vestlake Property and as set forth in the annual budget adopted annually by the Master Association Board and funded by the annual Assessments provided for in this Section 7.

(ii) the Vestlake Owners of Lots or Dwellings within the VestView Property shall have the right to vote upon and approve the amount of the VestView Amenities Expenses funded by the special Assessments provided for in this Section 7; and

(iii) the annual and special Assessments provided in this Section 7 of this Amendment are in addition to, and not in lieu of, the Common Expenses levied pursuant to Sections 8.03, 8.04 and 8.05 of the Covenants.

8. Except as herein specifically amended, the Covenants shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, Developer has caused this Amendment to be executed as of the date first above written.

**AMENDMENT NO. 6 TO
VESTLAKE COMMUNITIES COVENANTS, CONDITIONS
AND RESTRICTIONS**

THIS AMENDMENT NO. 6 TO VESTLAKE COMMUNITIES COVENANTS, CONDITIONS AND RESTRICTIONS (the "Amendment") is made as of the 24th day of June, 1997, by LIBERTY PARK JOINT VENTURE, an Alabama general partnership (the "Developer"), comprised of TORCHMARK DEVELOPMENT CORPORATION, an Alabama corporation, and DRUMMOND COMPANY, INC., an Alabama corporation. Capitalized terms used herein, but not otherwise defined, shall have the meanings ascribed to them in the Covenants, as defined below.

RECITALS:

A. As of May 5, 1994, Developer made and entered into the Vestlake Communities Covenants, Conditions and Restrictions (the "Covenants"), which Covenants were filed for record on May 26, 1994, and recorded as Instrument Number 9406/9798 in the Probate Office of Jefferson County, Alabama (the "Probate Office"), affecting certain real property more particularly described in the Covenants.

B. Subsequently, Developer amended the Covenants by filing in the Probate Office the following: Amendment No. 1 to the Covenants, as of August 29, 1994, which is recorded as Instrument Number 9410/6199 in the Probate Office; Amendment no. 2 to the Covenants, as of January 17, 1995, which is recorded as Instrument Number 9501/5552 in the Probate Office; Amendment No. 3 to the Covenants, as of February 6, 1995, which is recorded as Instrument Number 9502/7678 in the Probate Office; Amendment No. 4 to the Covenants, as of January 29, 1996, which is recorded as Instrument Number 9602/7418 in the Probate Office; and Amendment No. 5 to the Covenants, as of February 13, 1996, which is recorded as Instrument Number 9605/1084 in the Probate Office.

C. Developer desires to further amend the Covenants in order to include additional real property within the terms, covenants, and conditions of the Covenants, as amended, and to impose certain additional covenants, conditions and restrictions on certain Lots lying within such additional real property.

NOW, THEREFORE, Developer hereby amends the Covenants as follows:

1. Pursuant to Section 2.02 of the Covenants, Developer desires to own, develop, improve, lease and sell the following described Additional Property (hereinafter referred to as the "Vestlake Addition"):

All that real property included within the Survey of Vestlake Village, Fourth Sector, Phase 1, as recorded in Map Book 188, page 9, in the Probate Office of Jefferson County, Alabama.

All that real property included within the Survey of Vestlake Village, Fourth Sector, Phase 2, as recorded in Map Book 189, page 4, in the Probate Office of Jefferson County, Alabama.

The real property within the Vestlake Addition is and shall be held, transferred, sold, conveyed, and occupied subject to the covenants, conditions, restrictions, easements, charges, and liens set forth in the Covenants, as heretofore and hereby amended, all of which shall be binding on all parties having or acquiring any right, title or interest in, and shall inure to the benefit of each and every owner of, any real property in the Vestlake Addition.

2. Those Lots numbered 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 47, 48, 49, 50, and 51 (hereinafter referred to as "Lake Lots"), being Lots which abut on that certain lake, known as Lake Reynolds, which is contiguous to the Vestlake Addition (the "Lake"), as depicted on the above-referenced recorded plats, are and shall be held, transferred, sold, conveyed, and occupied subject to the following additional covenants, conditions, and restrictions:

A. Use of Lake. Occupants of Lake Lots shall have a nonexclusive right and privilege of and easement for using the Lake for such activities as boating and fishing, provided that such right and privilege shall be exercised reasonably and with due regard to the rights of others to use the Lake, as provided by this Amendment. The easement, rights, and privileges granted herein are and shall be permanent and perpetual and are appurtenant to and shall pass and run with title to each Lake Lot.

B. Watercraft Limitations. No more than one (1) watercraft may be owned, kept on a Lake Lot, and used in connection with the Lake at a given time. No watercraft in excess of sixteen (16) feet in length shall be permitted on the Lake, and no motors shall be used on watercraft except electric trolling motors.

C. Bulkheads, Piers, and Docks. No Owner of any Lake Lot shall construct any manner of bulkhead, pier, or dock on or in such Owner's Lake Lot or the Lake.

D. Building Setback and Square Footage. Notwithstanding any requirements to the contrary contained in the Covenants, as amended, but subject to the absolute discretion of the ARC, (i) the minimum building setback shall be seventy-five (75) feet, (ii) the Minimum Living Space for the main structure of any Dwelling, exclusive of open porches and garages, shall be two thousand four hundred (2,400) square feet, with no less than one thousand four hundred (1,400) square feet thereof comprising the ground floor, and (iii) there shall be no Maximum Living Space limitation for the main structure of any Dwelling.

E. Water Level Fluctuations. By acceptance of a Lake Lot deed, each Owner of a Lake Lot acknowledges that the water level of the Lake is subject to significant fluctuations and that portions of the Lake Lots may from time to time be flooded and that from time to time the level of the Lake may be too low to accommodate recreational uses. Neither Developer, nor the Master Association, nor the Association shall have any responsibility whatsoever for maintaining the Lake at any particular or certain water level. Each Lake Lot Owner further acknowledges that the Lake is or may be used by the Developer from time to time, as Developer deems necessary, for the purpose of recharging other bodies of water located within the Development, including, but not limited to irrigation lakes serving the Golf Facilities.

F. Pollution of Lake. No Occupant shall discharge, deposit or throw, or cause, allow or permit to be discharged, deposited or thrown into the Lake any trash, garbage, rubbish, waste, or hazardous substance. Any Occupant who shall discharge, deposit or throw, or cause, allow or permit to be discharged, deposited or thrown into the Lake any trash, garbage, rubbish, waste, or hazardous substance (i) shall take such remedial action therefor as Developer, the Master Association, or the Association may require, in its sole discretion, and shall be solely responsible for the costs and expenses of such remedial action and (ii) shall indemnify and hold harmless Developer, the Master Association, and the Association from any and all costs, expenses, loss, injury, damage, or claim, including attorneys' fees, resulting therefrom.

G. Release of Developer. By acceptance of a Lake Lot deed, each Owner of a Lake Lot releases and covenants and agrees not to claim any damages from Developer, the Master Association, or the Association in connection with or on account of any injuries or damages resulting from the use of the Lake by any Occupant of the Owner's Lake Lot and further agrees to hold Developer, the Master Association, and the Association harmless from any and all claims or damages, including reasonable attorney fees and expenses, relating to the use of the Lake by any Occupant of the Owner's Lake Lot. Neither Developer, nor the Master Association, nor the Association shall have any responsibility whatsoever to insure the safety of any Occupant, or any other person, in the use of the Lake, and each Occupant, or any other person, who shall use Lake shall do so at his or her own risk.

H. Rules and Regulations. Developer may from time to time prescribe rules and regulations concerning the use of the Lake, which rules and regulations shall apply to and be binding upon the Occupants of Lake Lots.

I. Special Assessments. Developer may levy special Assessments against Lake Lots for the purpose of maintaining the Lake ("Lake Lot Assessments") which shall be in addition to, and not in lieu of, all other Assessments required to be paid by Lake Lot Owners pursuant to the Covenants, as amended. Lake Lot Assessments shall be annually assessed, at a uniform pro rata rate for all Lake Lots and shall be enforced and collected in accordance with the terms and provisions of the Covenants. Lake Lot Owners shall

have no right to vote upon or approve Lake Lot Assessments established by Developer. Notwithstanding the foregoing, at such time as Developer no longer owns any real property within the Vestlake Property, or at such earlier time as Developer elects to relinquish Developer's control of the Vestlake Property, as provided in the Covenants, as amended, the Lake Lot Owners may modify Lake Lot Assessments as follows:

At such time as a quorum consisting of over fifty percent (50%) of all the votes represented by the Lake Lots is obtained, the vote of a majority of the votes represented by the Lake Lots which are voted in person or by proxy at any annual meeting of the Association shall be required to approve any modification of the Lake Lot Assessments. With respect to any special meeting of the Association, there shall be no specific requirement establishing a quorum, and the vote of a majority of the votes represented by the Lake Lots which are voted in person or by proxy at any such special meeting shall be binding on all of the Lake Lots. No other Owners other than Lake Lot Owners shall be permitted to vote on matters pertaining the Lake Lot Assessments.

3. Developer may, in its sole discretion, permit the use of the Lake by the Occupants of other Lots lying within the Development, on terms and conditions established by Developer. Access to the Lake by such Occupants shall be over and through land owned by Developer, the Master Association, or the Association, and designated therefor, and any permission to use the Lake granted by Developer to such other Occupants shall in no way imply any easement over or through the Lake Lots. No Occupants, other than the Occupants of the Lake Lots, shall use the Lake in any way whatsoever unless and until Developer grants express permission to do so.

4. Except as herein specifically amended, the Covenants, and the aforesaid amendments thereto, shall remain unchanged and in full force and effect.

INTENTIONALLY BLANK. SIGNATURES ON FOLLOWING PAGE.

With respect to any special meeting of the Association, there shall be no specific requirement establishing a quorum, and the vote of a majority of the votes represented by the Lake Lots which are voted in person or by proxy at any such special meeting shall be binding on all of the Lake Lots. No other Owners other than Lake Lot Owners shall be permitted to vote on matters pertaining the Lake Lot Assessments.

3. Developer may, in its sole discretion, permit the use of the Lake by the Occupants of other Lots lying within the Development, on terms and conditions established by Developer. Access to the Lake by such Occupants shall be over and through land owned by Developer, the Master Association, or the Association, and designated therefor, and any permission to use the Lake granted by Developer to such other Occupants shall in no way imply any easement over or through the Lake Lots. No Occupants, other than the Occupants of the Lake Lots, shall use the Lake in any way whatsoever unless and until Developer grants express permission to do so.

4. Except as herein specifically amended, the Covenants, and the aforesaid amendments thereto, shall remain unchanged and in full force and effect.

base level of maintenance and operation of the initial Alston Meadows Amenities as established by the Developer or the Master Association and that will preserve the aesthetic quality of the Alston Meadows Amenities and maintain the Alston Meadows Amenities in a manner consistent with the quality generally established within the Vestlake Property, subject, however, to the approval of the Vestlake Board, in the following manner:

A. **Voting Requirements.** At such time as a quorum consisting of over fifty percent (50%) of all the votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property is obtained, the vote of a majority of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property who are voting in person or by proxy at any annual meeting of the Vestlake Owners shall be required to approve any such improvement to and/or increase of the Alston Meadows Amenities, and the Alston Meadows Amenities Expenses associated therewith, which are above the base level of maintenance and operation of the initial Alston Meadows Amenities as approved by the Developer or the Master Association in accordance with the criteria set forth above and otherwise pursuant to the provisions of this Section 4. 5. Notwithstanding anything to the contrary contained in Section 4.07 of the Covenants, and subject to the prior written approval of the Master Association Board which may be withheld in the sole discretion of the Master Association Board, the Vestlake Board may establish and enforce additional rules and regulations, or modify existing rules and regulations, governing the use of the Alston Meadows Amenities. Each such rule and regulation shall be binding upon all Vestlake Owners and Occupants of Lots and Dwelling within the Alston Meadows Property until and unless any such rule or regulation is specifically overruled, canceled or modified by the Vestlake Board or by the majority vote of the total votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property at any regular or special meeting of the Vestlake Association; provided, however, that no such rule or regulation may be overruled, canceled or modified unless such action is also approved by Developer for so long as Developer owns any portion of the Vestlake Property or until such earlier date as Developer elects in Developer's sole discretion, to relinquish such right.

6. In addition to the ARC's authority set forth in Section 5.04 of the Covenants, the ARC shall have the power and authority to promulgate and amend or modify from time to time written Supplemental Architectural Standards in connection with the development of the Alston Meadows Property which shall supersede, amend and/or replace all or any part of the provisions and requirements set forth in Articles V and VI of the Covenants, to the extent authorized by the ARC from time to time, in its sole discretion, and shall be binding upon and enforceable against all Vestlake Owners and Occupants of Lots or Dwellings within the Alston Meadows Property.

7. For purposes of the Assessments set forth in Sections 8.03, 8.04 and 8.05 of the Covenants, the term "Common Expenses" shall not include the Alston Meadows Amenities Expenses. In addition to the Assessments set forth in the Covenants, the following shall be assessed against the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property and their respective Lots and Dwellings within the Alston Meadows Property in the following manner:

A. **Annual Assessments.** The Alston Meadows Amenities Expenses shall be annually assessed, at a uniform pro rata rate, against the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property and their respective Lots and Dwellings within the Alston Meadows Property. The annual Assessments to fund the Alston Meadows Amenities Expenses provided for herein associated with the base level of maintenance and operation of the initial Alston Meadows Amenities as established in Section 4 of this Amendment shall be adopted annually by the Master Association Board, with cooperation from the Vestlake Association, as part of the annual budget of the Master Association provided for in Section 8.04 of the Covenants, and shall cover the estimated Alston Meadows Amenities Expenses for the upcoming year. The amount of the Alston Meadows Amenities Expenses set forth in the annual budget of the Master Association shall constitute

the aggregate amount of annual Assessments for the Alston Meadows Amenities for the then applicable year and each Vestlake Owner of a Lot or Dwelling within the Alston Meadows Property shall pay his or her pro rata share of the same as provided in this Section.

B. **Special Assessments.** In addition to the annual Assessments provided in this Section 7, the Vestlake Board, subject to the prior written approval of the Master Association, may levy in any year special Assessments to fund any improvement and/or increase of the Alston Meadows Amenities and the Alston Meadows Amenities Expenses approved by the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property, subject, however, to the approval of a majority of the votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property who are voting in person or by proxy at a special meeting called for the purpose of adopting said special Assessments.

C. **Levy and Collection.** The annual and special Assessments levied herein shall be enforced and collected in accordance with the terms and provisions of the Covenants.

D. **Acknowledgements of Vestlake Owners within Alston Meadows Property.** By acceptance of a deed to a Lot or Dwelling within the Alston Meadows Property, each Vestlake Owner of a Lot or Dwelling within the Alston Meadows Property acknowledges and agrees:

(i) the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property shall have no right to vote upon nor approve the amount of the Alston Meadows Amenities Expenses associated with the base level of maintenance and operation of the initial Alston Meadows Amenities as established by the Developer or the Master Association Board to preserve the aesthetic quality of the Alston Meadows Amenities in a manner consistent with the quality generally established within the Vestlake Property and as set forth in the annual budget adopted annually by the Master Association Board and funded by the annual Assessments provided for in this Section 7;

(ii) the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property shall have the right to vote upon and approve the amount of the Alston Meadows Amenities Expenses funded by the special Assessments provided for in this Section 7; and

(iii) the annual and special Assessments provided in this Section 7 of this Amendment are in addition to, and not in lieu of, the Common Expenses levied pursuant to Sections 8.03, 8.04 and 8.05 of the Covenants.

8. Except as herein specifically amended, the Covenants shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, Developer has caused this Amendment to be executed as of the date first above written.

E. Vestlake Owners. The term "Vestlake Owners" shall mean and refer to the owners of Lots or Dwellings within the Property who are members of the Vestlake Association. As used in this Amendment, "Vestlake Owners" shall have the same meaning as the term "Owners" in the Covenants.

3. Notwithstanding anything to the contrary contained in Section 3.03(d) of the Covenants and subject to the terms and provisions of the Covenants and the rules, regulations, fees and charges from time to time established by the Developer or the Master Association or as otherwise established pursuant to this Amendment, each Vestlake Owner and Occupant of Lots or Dwellings within the Alston Meadows Property shall have the exclusive right, privilege and easement for access to and the use and enjoyment of the recreational areas, facilities and amenities now or hereafter located within the Alston Meadows Property and designated as Alston Meadows Amenities pursuant to the provisions of this Amendment. No Vestlake Owners or Occupants other than the Vestlake Owners and Occupants of Lots or Dwellings within the Alston Meadows Property shall have any right, privilege or easement of access to and use and enjoyment of the Alston Meadows Amenities established hereby. The easement and rights granted herein are and shall be permanent and perpetual, are appurtenant to and shall pass and run with title to each Lot and Dwelling within the Alston Meadows Property.

4. Notwithstanding anything to the contrary in Section 4.03 and Section 8.08 of the Covenants, Vestlake Owners of Lots or Dwellings within the Alston Meadows Property shall have the sole and exclusive right to vote to improve and/or increase the Alston Meadows Amenities, and the Alston Meadows Amenities Expenses associated therewith, which are above and/or beyond the base level of maintenance and operation of the initial Alston Meadows Amenities as established by the Developer or the Master Association and that will preserve the aesthetic quality of the Alston Meadows Amenities and maintain the Alston Meadows Amenities in a manner consistent with the quality generally established within the Vestlake Property, subject, however, to the approval of the Vestlake Board, in the following manner:

A. **Voting Requirements.** At such time as a quorum consisting of over fifty percent (50%) of all the votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property is obtained, the vote of a majority of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property who are voting in person or by proxy at any annual meeting of the Vestlake Owners shall be required to approve any such improvement to and/or increase of the Alston Meadows Amenities, and the Alston Meadows Amenities Expenses associated therewith, which are above the base level of maintenance and operation of the initial Alston Meadows Amenities as approved by the Developer or the Master Association in accordance with the criteria set forth above and otherwise pursuant to the provisions of this Section 4. With respect to any special meeting of the Vestlake Association, there shall be no specific requirement establishing a quorum and the vote of a majority of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property who are voting in person or by proxy at any such special meeting shall be binding on all of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property.

B. **Levy and Collection of Increased Expenses.** The amount by which the Alston Meadows Amenities Expenses are increased pursuant to the majority vote of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property as set forth in this Section 4 shall be specially levied and collected by the Vestlake Board pursuant to the provisions of Section 7 of this Amendment.

C. **No Right to Vote on Alston Meadows Amenities and Annually Assessed Alston Meadows Amenities Expenses.** Notwithstanding anything to the contrary in this Section 4, no Vestlake Owner of a Lot or Dwelling within the Alston Meadows Property shall have the right to vote upon, nor approve of, the initial Alston Meadows Amenities designated by Developer or the Master Association Board and the Alston Meadows Amenities Expenses associated with the base level of maintenance and operation of the initial Alston Meadows Amenities as approved by the Developer or the Master Association Board to generally meet the criteria set forth above, as such expenses are annually assessed against the Vestlake Owners and their respective Lots and Dwellings within the

Alston Meadows Property pursuant to the provisions of Section 7 of this Amendment.

5. Notwithstanding anything to the contrary contained in Section 4.07 of the Covenants, and subject to the prior written approval of the Master Association Board which may be withheld in the sole discretion of the Master Association Board, the Vestlake Board may establish and enforce additional rules and regulations, or modify existing rules and regulations, governing the use of the Alston Meadows Amenities. Each such rule and regulation shall be binding upon all Vestlake Owners and Occupants of Lots and Dwelling within the Alston Meadows Property until and unless any such rule or regulation is specifically overruled, canceled or modified by the Vestlake Board or by the majority vote of the total votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property at any regular or special meeting of the Vestlake Association; provided, however, that no such rule or regulation may be overruled, canceled or modified unless such action is also approved by Developer for so long as Developer owns any portion of the Vestlake Property or until such earlier date as Developer elects in Developer's sole discretion, to relinquish such right.

6. In addition to the ARC's authority set forth in Section 5.04 of the Covenants, the ARC shall have the power and authority to promulgate and amend or modify from time to time written Supplemental Architectural Standards in connection with the development of the Alston Meadows Property which shall supersede, amend and/or replace all or any part of the provisions and requirements set forth in Articles V and VI of the Covenants, to the extent authorized by the ARC from time to time, in its sole discretion, and shall be binding upon and enforceable against all Vestlake Owners and Occupants of Lots or Dwellings within the Alston Meadows Property.

7. For purposes of the Assessments set forth in Sections 8.03, 8.04 and 8.05 of the Covenants, the term "Common Expenses" shall not include the Alston Meadows Amenities Expenses. In addition to the Assessments set forth in the Covenants, the following shall be assessed against the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property and their respective Lots and Dwellings within the Alston Meadows Property in the following manner:

A. **Annual Assessments.** The Alston Meadows Amenities Expenses shall be annually assessed, at a uniform pro rata rate, against the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property and their respective Lots and Dwellings within the Alston Meadows Property. The annual Assessments to fund the Alston Meadows Amenities Expenses provided for herein associated with the base level of maintenance and operation of the initial Alston Meadows Amenities as established in Section 4 of this Amendment shall be adopted annually by the Master Association Board, with cooperation from the Vestlake Association, as part of the annual budget of the Master Association provided for in Section 8.04 of the Covenants, and shall cover the estimated Alston Meadows Amenities Expenses for the upcoming year. The amount of the Alston Meadows Amenities Expenses set forth in the annual budget of the Master Association shall constitute the aggregate amount of annual Assessments for the Alston Meadows Amenities for

the then applicable year and each Vestlake Owner of a Lot or Dwelling within the Alston Meadows Property shall pay his or her pro rata share of the same as provided in this Section.

B. Special Assessments. In addition to the annual Assessments provided in this Section 7, the Vestlake Board, subject to the prior written approval of the Master Association, may levy in any year special Assessments to fund any improvement and/or increase of the Alston Meadows Amenities and the Alston Meadows Amenities Expenses approved by the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property, subject, however, to the approval of a majority of the votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property who are voting in person or by proxy at a special meeting called for the purpose of adopting said special Assessments.

C. Levy and Collection. The annual and special Assessments levied herein shall be enforced and collected in accordance with the terms and provisions of the Covenants.

D. Acknowledgements of Vestlake Owners within Alston Meadows Property. By acceptance of a deed to a Lot or Dwelling within the Alston Meadows Property, each Vestlake Owner of a Lot or Dwelling within the Alston Meadows Property acknowledges and agrees:

(i) the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property shall have no right to vote upon nor approve the amount of the Alston Meadows Amenities Expenses associated with the base level of maintenance and operation of the initial Alston Meadows Amenities as established by the Developer or the Master Association Board to preserve the aesthetic quality of the Alston Meadows Amenities in a manner consistent with the quality generally established within the Vestlake Property and as set forth in the annual budget adopted annually by the Master Association Board and funded by the annual Assessments provided for in this Section 7;

(ii) the Vestlake Owners of Lots or Dwellings within the Alston Meadows Property shall have the right to vote upon and approve the amount of the Alston Meadows Amenities Expenses funded by the special Assessments provided for in this Section 7; and

(iii) the annual and special Assessments provided in this Section 7 of this Amendment are in addition to, and not in lieu of, the Common Expenses levied pursuant to Sections 8.03, 8.04 and 8.05 of the Covenants.

8. Except as herein specifically amended, the Covenants shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, Developer has caused this Amendment to be executed as of the date first above written.

perpetual, are appurtenant to and shall pass and run with title to each Lot and Dwelling within the Alston Meadows Townhomes Property.

4. Notwithstanding anything to the contrary in Section 4.03 and Section 8.08 of the Covenants, Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property shall have the sole and exclusive right to vote to improve and/or increase the Alston Meadows Townhomes Amenities, and the Alston Meadows Townhomes Amenities Expenses associated therewith, which are above and/or beyond the base level of maintenance and operation of the initial Alston Meadows Townhomes Amenities as established by the Developer or the Master Association and that will preserve the aesthetic quality of the Alston Meadows Townhomes Amenities and maintain the Alston Meadows Townhomes Amenities in a manner consistent with the quality generally established within the Vestlake Property, subject, however, to the approval of the Vestlake Board, in the following manner:

A. **Voting Requirements.** At such time as a quorum consisting of over fifty percent (50%) of all the votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property is obtained, the vote of a majority of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property who are voting in person or by proxy at any annual meeting of the Vestlake Owners shall be required to approve any such improvement to and/or increase of the Alston Meadows Townhomes Amenities, and the Alston Meadows Townhomes Amenities Expenses associated therewith, which are above the base level of maintenance and operation of the initial Alston Meadows Townhomes Amenities as approved by the Developer or the Master Association in accordance with the criteria set forth above and otherwise pursuant to the provisions of this Section 4. With respect to any special meeting of the Vestlake Association, there shall be no specific requirement establishing a quorum and the vote of a majority of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property who are voting in person or by proxy at any such special meeting shall be binding on all of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property.

B. **Levy and Collection of Increased Expenses.** The amount by which the Alston Meadows Townhomes Amenities Expenses are increased pursuant to the majority vote of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property as set forth in this Section 4 shall be specially levied and collected by the Vestlake Board pursuant to the provisions of Section 7 of this Amendment.

C. **No Right to Vote on Alston Meadows Townhomes Amenities and Annually Assessed Alston Meadows Townhomes Amenities Expenses.**

Notwithstanding anything to the contrary in this Section 4, no Vestlake Owner of a Lot or Dwelling within the Alston Meadows Townhomes Property shall have the right to vote upon, nor approve of, the initial Alston Meadows Townhomes Amenities designated by Developer or the Master Association Board and the Alston Meadows Townhomes Amenities Expenses associated with the base level of maintenance and operation of the initial Alston Meadows Townhomes Amenities as

approved by the Developer or the Master Association Board to generally meet the criteria set forth above, as such expenses are annually assessed against the Vestlake Owners and their respective Lots and Dwellings within the Alston Meadows Townhomes Property pursuant to the provisions of Section 7 of this Amendment.

5. Notwithstanding anything to the contrary contained in Section 4.07 of the Covenants, and subject to the prior written approval of the Master Association Board which may be withheld in the sole discretion of the Master Association Board, the Vestlake Board may establish and enforce additional rules and regulations, or modify existing rules and regulations, governing the use of the Alston Meadows Townhomes Amenities. Each such rule and regulation shall be binding upon all Vestlake Owners and Occupants of Lots and Dwelling within the Alston Meadows Townhomes Property until and unless any such rule or regulation is specifically overruled, canceled or modified by the Vestlake Board or by the majority vote of the total votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property at any regular or special meeting of the Vestlake Association; provided, however, that no such rule or regulation may be overruled, canceled or modified unless such action is also approved by Developer for so long as Developer owns any portion of the Vestlake Property or until such earlier date as Developer elects in Developer's sole discretion, to relinquish such right.

6. In addition to the ARC's authority set forth in Section 5.04 of the Covenants, the ARC shall have the power and authority to promulgate and amend or modify from time to time written Supplemental Architectural Standards in connection with the development of the Alston Meadows Townhomes Property which shall supersede, amend and/or replace all or any part of the provisions and requirements set forth in Articles V and VI of the Covenants, to the extent authorized by the ARC from time to time, in its sole discretion, and shall be binding upon and enforceable against all Vestlake Owners and Occupants of Lots or Dwellings within the Alston Meadows Townhomes Property.

7. For purposes of the Assessments set forth in Sections 8.03, 8.04 and 8.05 of the Covenants, the term "Common Expenses" shall not include the Alston Meadows Townhomes Amenities Expenses. In addition to the Assessments set forth in the Covenants, the following shall be assessed against the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property and their respective Lots and Dwellings within the Alston Meadows Townhomes Property in the following manner:

A. **Annual Assessments.** The Alston Meadows Townhomes Amenities Expenses shall be annually assessed, at a uniform pro rata rate, against the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property and their respective Lots and Dwellings within the Alston Meadows Townhomes Property. The annual Assessments to fund the Alston Meadows Townhomes Amenities Expenses provided for herein associated with the base level of maintenance and operation of the initial Alston Meadows Townhomes Amenities as established in Section 4 of this Amendment shall be adopted annually by the Master Association Board, with cooperation from the Vestlake Association, as part of the annual budget of the Master Association provided for in Section 8.04 of the Covenants, and shall cover the estimated Alston Meadows Townhomes Amenities Expenses for the upcoming year. The amount of the Alston Meadows Townhomes

Amenities Expenses set forth in the annual budget of the Master Association shall constitute the aggregate amount of annual Assessments for the Alston Meadows Townhomes Amenities for the then applicable year and each Vestlake Owner of a Lot or Dwelling within the Alston Meadows Townhomes Property shall pay his or her pro rata share of the same as provided in this Section.

B. Special Assessments. In addition to the annual Assessments provided in this Section 7, the Vestlake Board, subject to the prior written approval of the Master Association, may levy in any year special Assessments to fund any improvement and/or increase of the Alston Meadows Townhomes Amenities and the Alston Meadows Townhomes Amenities Expenses approved by the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property, subject, however, to the approval of a majority of the votes of the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property who are voting in person or by proxy at a special meeting called for the purpose of adopting said special Assessments.

C. Levy and Collection. The annual and special Assessments levied herein shall be enforced and collected in accordance with the terms and provisions of the Covenants.

D. Acknowledgements of Vestlake Owners within Alston Meadows Townhomes Property. By acceptance of a deed to a Lot or Dwelling within the Alston Meadows Townhomes Property, each Vestlake Owner of a Lot or Dwelling within the Alston Meadows Townhomes Property acknowledges and agrees:

(i) the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property shall have no right to vote upon nor approve the amount of the Alston Meadows Townhomes Amenities Expenses associated with the base level of maintenance and operation of the initial Alston Meadows Townhomes Amenities as established by the Developer or the Master Association Board to preserve the aesthetic quality of the Alston Meadows Townhomes Amenities in a manner consistent with the quality generally established within the Vestlake Property and as set forth in the annual budget adopted annually by the Master Association Board and funded by the annual Assessments provided for in this Section 7;

(ii) the Vestlake Owners of Lots or Dwellings within the Alston Meadows Townhomes Property shall have the right to vote upon and approve the amount of the Alston Meadows Townhomes Amenities Expenses funded by the special Assessments provided for in this Section 7; and

(iii) the annual and special Assessments provided in this Section 7 of this Amendment are in addition to, and not in lieu of,

the Common Expenses levied pursuant to Sections 8.03, 8.04 and 8.05 of the Covenants.

8. Except as herein specifically amended, the Covenants shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, Developer has caused this Amendment to be executed as of the date first above written.

2. Additional Property Subject to Covenants. The Additional Property is and shall be held, transferred, sold, conveyed, and occupied subject to the covenants, conditions, restrictions, easements, charges, and liens set forth in the Covenants, as heretofore and hereby amended, all of which shall be binding on all parties having or acquiring any right, title or interest in, and shall inure to the benefit of each and every owner of, any real property in the Additional Property.

3. Minimum Front Setback Line; Minimum Rear Setback Line; and Maximum Living Space. Notwithstanding any requirements to the contrary contained in the Covenants, as amended, but subject to the absolute discretion of the ARC, (i) the minimum front building setback line shall be twenty (20) feet, (ii) the minimum rear setback line shall be twenty-five

(25) feet, and (iii) there shall be no Maximum Living Space limitation for any Dwelling constructed on the Additional Property.

4. Minimum Rear Setback Lines; ARC Approval Required for Improvements. By accepting delivery of a deed to any Lot or Dwelling within the Additional Property, the Owner shall be deemed to have acknowledged that the rear property line of such Lot abuts the Golf Property and/or Golf Facilities, and that the minimum rear setback line of such Lot is 25 feet. In order to protect the value, desirability and aesthetics of the Golf Property and/or the Golf Facilities, any Improvements to be made and/or constructed within the 25 foot minimum rear setback or in any other location on any such Lot shall be subject to approval by the ARC.

5. ENTRY OR ENCROACHMENT IN OR ON GOLF PROPERTY AND/OR GOLF FACILITIES IS STRICTLY PROHIBITED. By accepting delivery of a deed to any Lot or Dwelling within the Additional Property, the Owner shall also be deemed to have acknowledged and agreed that any entry, encroachment, disturbance, clearing, grubbing, limbing or other cutting of trees, hitting golf balls or throwing or depositing any material of any kind whatsoever, and/or any and all other activity, on, in or through the Golf Property and/or the Golf Facilities committed, caused or allowed by the Owner or Owner's family, guests, invitees, contractors, subcontractors, agents, employees or other representatives, is strictly and absolutely prohibited (the "Prohibited Activities"). The Owner shall also not allow the Owner's pets to enter onto the Golf Property and/or the Golf Facilities. The Golf Property and the Golf Facilities are deemed to be in the possession of Developer.

6. \$10,000 FINE FOR COMMITTING, CAUSING OR ALLOWING PROHIBITED ACTIVITIES. By accepting delivery of a deed to any Lot or Dwelling within the Additional Property, the Owner shall also be deemed to have acknowledged and agreed that any Prohibited Activity and/or Prohibited Improvements committed, caused, installed or allowed by the Owner or Owner's family, guests, invitees, contractors, subcontractors, agents, employees or other representatives in, on or through the Golf Property and/or the Golf Facilities shall constitute a trespass pursuant to the law of the State of Alabama and subject to the imposition of a monetary fine on the Owner and the Owner's Lot and/or Dwelling in the amount of Ten Thousand Dollars (\$10,000) plus all court costs, attorneys' fees and other costs of enforcement and/or collection related thereto. Such monetary fine and related costs shall be deemed reasonable and shall constitute a continuing lien on such Owner's Lot and/or Dwelling and a personal obligation of such Owner, and shall be administered and enforced pursuant to the procedures applicable to monetary fines as provided in the Covenants and as further adopted by the Board of Directors of the Association.

7. Reservation of Easement for Golf Balls. Every Lot and Dwelling within the Additional Property is burdened with an easement permitting errant golf balls from the Golf Property and/or Golf Facilities to come upon the Lot or Dwelling and for golfers at reasonable times and in a reasonable manner to enter the exterior portions of any such Lot or Dwelling to retrieve errant golf balls; provided, however, if any such Lot or Dwelling is fenced or walled, the golfer shall seek the Owner's or Occupant's permission before entry. All Owners of Lots and Dwellings within the Additional Property, by accepting delivery of a deed, assume all risks

associated with errant golf balls and all such Owners agree and covenant not to make any claim or institute any action whatsoever against Developer or Old Overton Club, Inc., arising or resulting from any errant golf balls from the Golf Property, any damage that may be caused thereby, or for negligent design of the Golf Property and/or the Golf Facilities or siting of any Dwelling. Nothing in this paragraph shall in any way relieve golfers from liability for damages resulting from errant golf balls from the Golf Property and/or the Golf Facilities.

8. Except as herein specifically amended, the Covenants, and the aforesaid amendments thereto, shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, Developer has caused this Amendment to be executed as of the date first above written.
