2.02 Additional Property. Developer reserves the right, in its sole and absolute discretion, at any time and from time to time during the pendency of these Covenants, to add and submit any Additional Property to the provisions of these Covenants and, to the extent any of the Additional Property is specifically submitted to the terms and provisions of these Covenants by Developer, then any such Additional Property shall constitute part of the Property. Additional Property may be submitted to the provisions of these Covenants by an instrument executed by Developer in the manner required for the execution of deeds and recorded in the Probate Office of Jefferson County, Alabama, which instrument shall be deemed an amendment to these Covenants (which need not be consented to or approved by any Owner, Occupant or Mortgagee of any Lot or Dwelling) and shall (a) refer to these Covenants stating the book and page number in the Probate Office of Jefferson County, Alabama where these Covenants are recorded, (b) contain a statement that such Additional Property is conveyed subject to the provisions of these Covenants or only specified portions thereof, (c) contain an exact description of such Additional Property and (d) state such other or different covenants, conditions and restrictions as the Developer, in its sole discretion, shall specify to regulate and control the use, occupancy and improvement of such Additional Property. From and after the date on which any amendment to these Covenants is recorded in the Probate Office of Jefferson County, Alabama submitting any Additional Property to the terms and provisions of these Covenants, the number of votes in the

Association shall be increased by the number of Lots within the Additional Property which is added and submitted to these Covenants and in accordance with the voting rights set forth in the Bylaws. In no event shall Developer be obligated to submit any Additional Property to the provisions of these Covenants or to impose any of the covenants, conditions or restrictions set forth in these Covenants upon any real property owned by Developer other than the Property. Notwithstanding anything provided in these Covenants to the contrary, (1) the provisions of this Section 2.02 may not be abrogated, modified, rescinded, supplemented or amended, in whole or in part, without the prior written consent of Developer and (2) the rights reserved by Developer pursuant to this Section 2.02 shall not be deemed to inure to the benefit of any transferee or purchaser of any Additional Property or any portion thereof, unless Developer, in its sole discretion, transfers and conveys to such transferee or purchaser the rights reserved herein by express reference to Section 2.02 of these Covenants.

2.04 Mutuality of Benefit and Obligation. The provisions of these Covenants are made (a) for the mutual and reciprocal benefit of each Lot, Dwelling and Common Area within the Property and are intended to create mutual, equitable servitudes upon and in favor of each Lot and Dwelling, (b) to create reciprocal rights and obligations between the respective Owners and all future and subsequent Owners of any Lot or Dwelling within the Property and (c) to create a privity of contract and estate between the Owners, their respective heirs, successors and assigns.

2.05 Golf Facilities. Developer, in its sole discretion, may from time to time provide Golf Facilities to be constructed on the Golf Property which are separate from the Common Areas. The Golf Facilities shall be developed and provided at the discretion of the Developer. Whoever owns any of these Golf Facilities at any particular time has the exclusive right to determine from time to time, in its sole discretion and without notice or approval of any change, how and by whom the Golf Facilities shall be used, if at all. By way of example, but not limitation, such entities have the right to approve users and determine eligibility for use, to reserve use rights for future purchasers of the Development, to terminate any or all use rights, to change, eliminate or cease operation of any or all of the Golf Facilities, to transfer any or all of the Golf Facilities or the

operation thereof to anyone (including without limitation a member-owned or equity club) and on any terms, to limit the availability of use privileges, and to require the payment of a purchase price, membership contribution, initiation fee, dues and other charges for use privileges. Ownership of any or all of the Development or membership in the Association, does not give any vested right or easement, prescriptive or otherwise, to use the Golf Facilities, and does not grant any ownership or membership interest in the Golf Facilities.

2.06 Development of Property. Subject to the approval of any Governmental Authority with appropriate jurisdiction, Developer shall have the right, but not the obligation, for so long as Developer owns any portion of the Development, or until such earlier date as Developer elects in its sole discretion to relinquish such right, to make improvements and changes to all Common Areas and to all Lots or Dwellings owned by Developer, including, without limitation, (i) installation and maintenance of any Improvements in or to the Common Areas, (ii) changes in the location of the boundaries of any Lot or Dwelling owned by Developer or of the Common Areas, (iii) installation of any water, sewer and any other utility systems and facilities within the Common Areas, (iv) installation of limited access and trash and refuse facilities, and (v) installation and maintenance of any soil erosion control, ponds, lakes or drainage channels pursuant to the Watershed Protective Covenants.

2.07 Subdivision Plat. Developer reserves the right to record, modify, amend, revise and otherwise add to, at any time and from time to time, a subdivision plat setting forth such information as Developer may deem necessary with regard to the Property, including, without limitation, the locations and dimensions of all Lots, Dwellings, Common Areas, Additional Property, public or private roads, utility systems, drainage systems, utility easements, drainage easements, access easements, set-back line restrictions, lakes, retention ponds and drainage basins. Any such subdivision plats or any amendments thereto shall be binding on the portions of the Property indicated thereon as if such subdivision plat were specifically incorporated into these Covenants. Notwithstanding anything provided to the contrary in these Covenants, Developer may at any time or from time to time divide and redivide, combine and resubdivided any Lots owned by Developer and change any easement description or relocate any roads affected thereby, subject to approval of any Governmental Authority having jurisdiction thereof.

3.02 Grant of Easement to Governmental Authorities. Subject to the provisions of Sections 3.03(a) and 3.03(b) below, Developer does hereby grant to each branch, bureau, department and agency of any Governmental Authority and its respective agents, employees and representatives, a permanent, perpetual and nonexclusive easement over, across, through and upon Liberty Parkway and all of the private roadways within the Development forming a part of the Common Areas for the purposes of performing such duties and activities related to law enforcement, fire protection, trash and refuse collection, building inspection services, mail and package delivery, medical and emergency services and any other functions or duties to be performed by the Governmental Authorities as shall be required or appropriate from time to time.

3.03 Reservation of Controlled Access Easement.

(a) **Waiver of Unlimited Access.** Each Owner, by acceptance of a deed or other instrument conveying any interest in any Lot or Dwelling, does hereby waive all rights of uncontrolled and unlimited access, ingress to and egress from such Lot or Dwelling and acknowledges and agrees that (i) in order to provide quiet enjoyment, access and ingress to and egress from the Development and/or the Property may be controlled, restricted and limited to exclude the general public therefrom and (ii) access, ingress to and egress from such Owner's Lot or Dwelling shall be limited to the roads, sidewalks, walkways, paths, trails and bicycle and jogging paths and lanes designated as Common Areas by Developer; provided, however, that, subject to the terms and provisions of these Covenants, vehicular and pedestrian access to and from all Lots and Dwellings shall be provided at all times. Notwithstanding anything provided to the contrary in these Covenants, during any golf tournaments sponsored by Developer or by any other golf and/or country clubs situated in close proximity with the Development which utilize any portion of Liberty Parkway for access purposes, Developer reserves the right to limit and restrict access to Liberty Parkway and any of the Common Areas of the Development and, to the extent practicable, to make portions of Liberty Parkway and portions of the private roadways within the Common Areas of the Development one-way roads.

(b) **Right to Install Limited Access Facilities.** Developer does hereby establish and reserve for itself, the Master

The power and authority granted herein is hereby declared to be irrevocable and a power coupled with an interest which shall survive the death or dissolution of any Owner or Mortgagee and be binding on all Owners and Mortgagees and their respective heirs, executors, administrators, personal representatives, successors and assigns and anyone having any interest in any Lot, Dwelling or Common Area or in any of the easement rights created or granted in these Covenants. The rights reserved by Developer pursuant to this Section 3.03(c) may

be assigned to the Master Association. Upon such assignment, the Master Association shall have the same rights reserved herein to Developer.

(d) **Recreational Facilities.** Subject to the terms and provisions of these Covenants and the rules, regulations, fees and charges from time to time established by the Developer or the Master Association, each Owner and Occupant shall have the nonexclusive right, privilege and easement for access to and the use and enjoyment of the recreational areas, facilities and amenities now or hereafter located in the Common Areas. The easement and rights granted herein are and shall be permanent and perpetual, are nonexclusive, are appurtenant to and shall pass and run with title to each Lot and Dwelling. **The Golf Facilities are not part of the Common Areas and are provided solely for the members of the Golf Facilities and ownership of any portion of the Property or any Lot or Dwelling situated thereon shall not entitle such Owner to any rights in or to the use of the Golf Facilities or the Golf Property.**

(e) **Benefit of Easements.** The easements, rights and privileges granted in Sections 3.01 and 3.03 shall pass with each Lot and Dwelling as an appurtenance thereto and may not be severed, transferred, assigned or otherwise alienated separate or apart from a Lot or Dwelling.

3.04 Reservation of General Access Easement. Developer does hereby establish and reserve for itself, the Master Association, the ARC, and the Association, their respective agents, employees, representatives, invitees, successors and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, through and upon each Lot and Dwelling for the purpose of providing ingress to and egress from each Lot and Dwelling for (a) inspecting each Lot and Dwelling and any Improvements thereon in order to determine compliance with the provisions of these Covenants, and (b) the performance of the respective duties of Developer, the Master Association, the ARC and the Association hereunder, including, without limitation taking any action required or permitted to be taken by Developer, the Master Association, the ARC and/or the Association pursuant to any of the terms or provisions of these Covenants, the Master Association Bylaws or the Watershed Protective Covenants; provided, however, that upon completion and occupancy of any Dwelling, then except in the event of emergencies, the foregoing easement shall be utilized only during normal business hours and then, whenever practicable, only upon advance notice to the Owner or Occupant of such Lot or Dwelling directly affected thereby.

3.05 Reservation of Easements With Respect to Common Areas.

(a) **Easement Upon Common Areas.** Developer does hereby establish and reserve, for itself, the Master Association, the

ARC, and their respective agents, employees, representatives, invitees, successors and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, under, through and upon all of the Common Areas for the purpose of (i) constructing, installing, maintaining, repairing and replacing any Improvements to the Property or to the Common Areas and (ii) doing all other things reasonably necessary and proper in connection therewith; provided, however, that nothing in this sentence shall obligate Developer to undertake any of the foregoing. In addition to the other rights and easements established and reserved herein and regardless of whether Developer continues to own any portion of the Development, Developer hereby establishes and reserves for itself and its successors and assigns, a permanent and perpetual, nonexclusive easement to have access, ingress to and egress from and the right and privilege to use and enjoy the Common Areas and all Improvements thereon for such purposes as Developer deems appropriate; provided, however, that Developer should not exercise such rights so as to unreasonably interfere with the rights of the Owners to use the Common Areas.

(b) **Changes in Common Areas.** Developer does hereby establish and reserve unto itself and its successors and assigns the permanent right to change, modify and realign the boundaries of any of the Common Areas, any Lots, Dwellings, other portions of the Development owned by Developer, or the Golf Property. Developer further reserves the right, but shall not have any obligation, to convey by quitclaim deed to the Master Association at any time and from time to time any portion of the Development, the Property or any Improvements thereto to be utilized as Common Areas, as Developer, in its sole discretion, may determine.

3.06 Reservation of Easement for Utilities. Developer does hereby establish and reserve for itself and the Master Association, and their respective successors and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, under, through and upon all portions of the Common Areas and all Lots and Dwellings which are reasonably necessary for the purpose of installing, erecting, replacing, relocating, maintaining and operating master television and/or cable systems, limited access facilities and similar systems and all utilities necessary or convenient for the use of any portion of the Development including, without limitation, publicly or privately owned and operated electrical, gas, telephone, water and sewer services, storm drains and sewers, drainage systems, retention ponds, lakes, basins and facilities, lines, pipes, conduits, equipment, machinery and other apparatus and appurtenances necessary or otherwise reasonably required in order to provide any utility service to any portion of the Development. The easements established and reserved herein shall include the right to cut and remove trees, undergrowth and shrubbery, to grade, excavate or fill and to otherwise take all other action

reasonably necessary to provide economical and safe installation, maintenance, repair, operation and replacement of all such utility services and the systems, equipment and machinery used to provide the same. Notwithstanding anything provided in this Section 3.06 to the contrary, (i) the utilization of any of the easements and right established and reserved pursuant to this Section 3.06 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot, and (ii) Developer shall use good faith efforts to attempt to cause any utility company or other supplier or provider of any utility service which may utilize any of the easements and right reserved and established pursuant to this Section 3.06 to take reasonable action to repair any damage to any Lot or Dwelling caused by such utility company or other supplier or provider of such utility service during the exercise of any rights established and reserved herein.

3.07 Reservation of Easements for Signs, Walks, Trails, Walls and Fences.

(a) Easement for Walks, Trails and Signs. Developer does hereby establish and reserve for itself, the Master Association, their respective successors and assigns, a permanent and perpetual easement appurtenant over, across, through and upon a strip of land ten (10) feet in width on any side of any Lot or Dwelling lying parallel and directly adjacent to and abutting any public or private roadway, for the purpose of constructing, installing, maintaining, repairing, operating, replacing and the use of sidewalks, walkways, trails, bicycle and jogging paths and lanes, traffic directional signs, street lights and related improvements; provided, however, that neither Developer nor the Master Association, by virtue of this sentence, shall have any obligation to construct any of the foregoing improvements.

(b) Easement for Perimeter Wall. Developer does hereby establish and reserve for itself, the Master Association, and their respective successors and assigns, a permanent and perpetual easement appurtenant over, across, through and upon a strip of land fifteen (15) feet in width on the side of any Lot or Dwelling lying parallel to the perimeter boundary of the Development for the purpose of constructing, installing, maintaining, repairing, operating and replacing a perimeter wall, fence, mound or berm around the perimeter boundary of the Development; provided, however, that neither Developer nor the Master Association, by virtue of this sentence, shall have any obligation to construct any such perimeter wall, fence, mound or berm.

3.08 Reservation of Maintenance Easement. Subject to the terms and provisions of Section 7.02(b) below, Developer does hereby establish and reserve for the Master Association, the Association, and each of their respective agents, employees,

successors and assigns, a permanent and perpetual right and easement to enter upon any Lot or Dwelling for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds, stumps or other unsightly growth and removing trash so as to maintain reasonable standards of health, fire, safety and appearance within the Development; provided, however, that such easement shall not impose any duty or obligation upon Developer, the Master Association or the Association to perform any of the foregoing actions.

3.09 Reservation of Environmental Easement. Developer does hereby establish and reserve for itself, the ARC, the Master Association and their respective agents, employees, successors and assigns, a permanent and perpetual right and easement on, over, across and upon all Lots and all unimproved portions of any Dwellings for the purpose of taking any action necessary to effect compliance with the Architectural Standards or any environmental rules, regulations and procedures from time to time promulgated or instituted by any Governmental Authorities or the Master Association. Except in the case of an emergency situation or a perceived emergency situation, the exercise by Developer or the Master Association of the rights reserved in this Section 3.09 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot.

3.10 Watershed Protective Covenants. In addition to these Covenants, all Lots, Dwellings, Improvements and Common Areas are subject to the covenants, conditions, restrictions, easements, limitations, obligations, assessments, remedies, prohibitions and appointments set forth in the Watershed Protective Covenants for such period and to the extent set forth therein. The Watershed Protective Covenants are referred to and incorporated in these Covenants by reference as if set out herein in their entirety.

3.11 Landscaping by Owners on Easement Areas. The Developer, the Master Association, the Association, any Governmental Authority, any utility company, and each of their respective successors and assigns, shall not be liable to any Owner, Occupant or any other party for and on account of damage to any landscaping or plantings placed on any easement area or road right-of-way within the Development by any Owner, Occupant or any other party.

3.12 Reservation of Easement for Golf Balls. Every Lot and Dwelling is burdened with an easement permitting golf balls unintentionally to come upon the Lot or Dwelling and for golfers at reasonable times and in a reasonable manner to come upon the exterior portions of any Lot or Dwelling to retrieve errant golf balls; provided, however, if any Lot or Dwelling is fenced or walled, the golfer shall seek the Owner's or Occupant's permission before entry. All Owners, by acceptance of delivery of a deed to a Lot or Dwelling, assume all risks associated with

errant golf balls, and all Owners agree and covenant not to make any claim or institute any action whatsoever against arising or resulting from any errant golf balls, any damages that may be caused thereby, or for negligent design of the Golf Facilities or siting of any Dwelling. Nothing in this paragraph shall in any way relieve golfers from liability for damages resulting from errant golf balls.

ARTICLE IV

ASSOCIATION

4.01 Membership. The Owner of each Lot or Dwelling shall be a member of the Association. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot or Dwelling; provided, however, that (a) Developer shall be deemed a member of the Association for so long as Developer owns any portion of the Old Overton Property, or until such earlier date as Developer elects, in Developer's sole discretion, to terminate Developer's membership in the Association, (b) in the event any Lot or Dwelling is owned by more than one (1) person, then the Owner of such Lot shall, by written notice to the Board, designate only one (1) representative to serve as a member of the Association until such time, if at all, that the Mortgagee becomes an Owner by virtue of foreclosure of its Mortgage and title to such encumbered Lot or Dwelling is vested in Mortgagee pursuant to duly recorded deed. The transfer or conveyance of fee title to any Lot or Dwelling (other than by a Mortgage as security for the payment of an obligation), shall automatically include the transfer of all membership rights of such Owner in the Association with respect to the Lot or Dwelling transferred and conveyed, notwithstanding any failure of the transferor to endorse to his transferee any certificates, assignments or other evidence of such membership. Membership or the rights and benefits in the Association may not be transferred, assigned, conveyed or otherwise alienated in any manner separately and apart from the ownership of a Lot or Dwelling. Each member of the Association shall at all times comply with the provisions of these Covenants, the Articles of Incorporation, the Bylaws and all rules and regulations which may from time to time be adopted by the Board or the members of the Association.

4.02 Board. The Board shall have the rights and duties set forth in the Articles of Incorporation and the Bylaws. Developer hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until such time as Developer no longer owns any portion of the Old Overton Property, or until such earlier date as Developer elects, in Developer's sole discretion, to relinquish such right. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, vests in Developer such authority to appoint and remove members

of the Board and officers of the Association as provided by this Section 4.02.

4.03 Voting Rights. Subject to the rights reserved to Developer in the Articles of Incorporation and Bylaws (which, among other things, provide that only Developer, for so long as Developer owns any portion of the Old Overton Property, or until such earlier date as Developer may elect, in Developer's sole discretion, shall be exclusively entitled to take various actions and vote on all matters to be voted on by the members of the Association) and the rights of the Master Association or the Association, as the case may be, to suspend any Owner's voting rights or privileges in the Association pursuant to Section 11.01 below, the Owner of each Lot or Dwelling shall be entitled to one (1) vote in any matters submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot or Dwelling. Such voting rights shall continue to apply to each Lot or Dwelling upon the addition of any of the Additional Property to these Covenants, or upon the development of any other single-family residential area north of Liberty Parkway, the owners of which may also be members of the Association, all in Developer's sole discretion. Each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, consents and agrees to the dilution of his or her voting interest in the Association by virtue of the resubdivision of any Lot by Developer pursuant to Section 2.07 above, the submission of any Additional Property to the terms of these Covenants, or the development of any other single-family residential area north of Liberty Parkway as mentioned above. In no event, whether as a result of there being multiple ownership interests in any Lot or Dwelling or otherwise, shall more than one vote be allowed for any one Lot or Dwelling. Fractional voting shall not be permitted. For purposes of this Section 4.03, Developer shall be deemed to be the Owner of and entitled to all voting rights attributable to any Lots or Dwellings owned by Developer.

4.04 Duties and Powers of Association. In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in these Covenants, the Association shall have the power to perform or cause to be performed any of the duties and powers set forth in the Articles of Incorporation and the Bylaws. The Association may exercise any other right or privilege granted to it expressly by the Master Association Board, these Covenants or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided to the contrary herein, in the Articles of Incorporation or in the Bylaws, the powers and authority granted to the Association may be exercised by the Board, acting through the officers of the Association, without

further consent or action on the part of the Owners. Nothing herein shall be construed as a restriction of the rights, duties, responsibilities and obligations of the Association set forth in the Articles of Incorporation or the Bylaws.

4.05 Agreements. Subject to the conditions, restrictions and other provisions of these Covenants, all agreements, actions and determinations lawfully authorized by the Board with respect to the Property shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors and assigns and all others having any interest in the Property. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice such duties of the Association hereunder as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Property, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. During the term of any such management agreement entered into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association hereunder, excepting any of such powers or duties specifically and exclusively reserved to the Board or the officers of the Association by these Covenants, the Articles of Incorporation or the Bylaws. Such manager may be an individual, corporation or other legal entity and may be bonded in such manner as the Board may require, with the costs of such bond to be a Common Expense. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Property, or the enforcement of these Covenants, the Articles of Incorporation, the Bylaws or any rules and regulations of the Association.

4.06 Management by Developer or its Affiliates. In addition to the rights and authority granted to the Association in Section 4.05, Developer or any affiliate thereof may, but shall not be obligated to, be employed as the manager of the Association and the Property for so long as Developer owns any portion of the Old Overton Property, or until such earlier date as Developer elects, in Developer's sole discretion, to relinquish such right, at such compensation and on such terms as would be usual, customary and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality and nature of the Property. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling,

shall be deemed to ratify the provisions of this Section 4.06 and specifically be deemed to have approved any management agreement entered into by the Association and Developer or any affiliate thereof.

4.07 Rules and Regulations. Subject to the prior written approval of the Master Association Board which may be withheld in the sole discretion of the Master Association Board, the Board may establish and enforce reasonable rules and regulations governing the use of all Lots and Dwellings, including, without limitation, rules and regulations which govern the establishment of bird sanctuaries, wildlife and wildflower areas, the enforcement of all of the terms and provisions of these Covenants, and the limitation, restriction or prohibition of application of fertilizers, pesticides, and other chemicals within the Property. Each such rule and regulation shall be binding upon all Owners and Occupants until and unless any such rule or regulation is specifically overruled, canceled or modified by the Board or by the majority vote of the total votes of the Association at any regular or special meeting of the Association; provided, however, that no such rule or regulation may be overruled, canceled or modified unless such action is also approved by Developer for so long as Developer owns any portion of the Old Overton Property or until such earlier date as Developer elects in Developer's sole discretion, to relinquish such right.

4.08 Indemnification. The Association shall and does hereby indemnify, defend and agree to hold each and every officer, agent, representative and member of the Board harmless from and against any and all expenses, including court costs and reasonable attorney's fees, suffered, paid or incurred with any action, suit or other proceedings (including the settlement of any suit or proceedings if approved by the Board) to which such person may be made a party by reason of being or having been an officer, agent, representative or member of the Board. The officers, agents, representatives and members of the Board shall not be liable for any mistake in judgement, negligence or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The officers, agents, representatives and members of the Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall and does hereby indemnify, defend and agree to forever hold each such officer, agent, representative and member of the Board harmless from any and all liability to others on account of any such contract or commitment. The indemnification, obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative or member of the Board may be entitled, including anything provided to the contrary contained in the Articles of Incorporation or the

Bylaws. The Association shall maintain adequate general liability and officers' and directors' liability insurance in order to fulfill its obligations under this Section 4.08 and the costs of such insurance shall constitute a Common Expense.

(a) For so long as Developer owns any portion of the Development, or until such earlier date as Developer may elect, in Developer's sole discretion, Developer shall have the sole and exclusive right to appoint and remove all of the members of the ARC.

(b) At such time as Developer no longer owns any portion of the Development or, upon Developer's written notice to the Master Association and the Association that it no longer desires to exercise the right to appoint and remove members of the ARC as provided in Section 5.02(a) above, then the members of the ARC shall be appointed by the Master Association.

(c) Any member of the ARC may be removed, with or without cause, by (i) Developer, in its sole discretion, during the period of time that the provisions of Section 5.02(a) above are in effect or (ii) the Master Association, in the event the provisions of Section 5.02(b) above are in effect. In the event of death or resignation of a member of the ARC, then Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Master Association, in the event the provisions of Section 5.02(b) above are applicable, as the case may be, shall appoint a substitute member of the ARC to fill the vacancy of such deceased or resigning member for the remainder of the term of such former member.

(d) The Developer shall appoint the initial ARC for terms ranging from one (1) to three (3) years each, in Developer's sole discretion. The ARC shall meet as necessary as well as upon call of the chairman or vice-chairman, and all such meetings shall be held at such places as may be designated by the chairman or vice-chairman. A majority of the total number of members of the ARC shall constitute a quorum of the ARC for the transaction of business and the affirmative vote of a majority of those present in person or by proxy at a meeting of the ARC shall constitute the action of the ARC on any matter which comes before it. The ARC is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys in order to advise and assist the ARC in performing its functions set forth herein. Each member of the ARC may be paid a stipend or honorarium as may from time to time be determined by the Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Master Association, in the event the provisions of Section 5.02(b) above are applicable and shall otherwise be entitled to a reimbursement of expenses incurred on behalf of the ARC, subject to the approval of such expenses by the Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Master Association, in the event the provisions of Section 5.02(b) above are applicable. The Architectural Standards adopted by the ARC shall be in addition to the provisions and requirements set forth in these

Covenants and shall be binding upon and enforceable against all Owners.

(vi) Such other plans, specifications or other information or documentation as may be required by the Architectural Standards.

(c) The ARC shall, in its sole discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. One copy of all plans, specifications and related data so submitted to the ARC shall be retained in the records of the ARC and the other copy shall be returned to the Owner submitting the same marked "approved", "approved as noted" or "disapproved". The ARC shall establish a fee to be charged to and paid by each Owner who submits plans and specifications to the ARC for approval, which fee shall be sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Notwithstanding anything provided herein to the contrary, an Owner may make interior improvements and alterations within his Dwelling that do not affect exterior appearance and without the necessity or requirement that ARC approval or consent be obtained.

(d) The ARC shall have the right to disapprove any plans and specifications upon any ground which is consistent with the objectives and purposes of these Covenants, including purely aesthetic considerations, any failure to comply with any of the provisions of these Covenants or the Architectural Standards, failure to provide requested information, objection to exterior design, appearance or materials, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Development or the Property, objection to the location of any proposed Improvements on any such Lot, objection to the landscaping plan for such Lot or Dwelling, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any Improvement or any other matter which, in the sole judgment of the ARC, would render the proposed Improvement inharmonious with the general plan of development contemplated for the Development. The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot or Dwelling shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or Dwelling. Approval of plans and specifications by the ARC for Improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot or Dwelling within the Development.

(e) In the event the ARC fails to approve, or "approved as noted", in writing any such proposed plans and specifications within forty-five (45) days after such plans and specifications have been submitted, then the plans and specifications so submitted will be deemed to have been disapproved.

(f) Any revisions, modifications or changes in any plans and specifications previously approved by the ARC must be approved by the ARC in the same manner specified above.

(g) If construction of the Dwelling or the Improvements has not substantially commenced (by clearing and grading, pouring of footing and otherwise commencing framing and other related construction work) within one (1) year of approval by the ARC of the plans and specifications for such Dwelling or other Improvements, then no construction may be commenced (or continued) on such Lot or Dwelling and the Owner of such Lot or Dwelling shall be required to resubmit all plans and specifications for any Dwelling or other Improvements to the ARC for approval in the same manner specified above.

(h) In addition to the fee charged to and paid by each Owner who submits plans and specifications to the ARC for approval as set forth in Section 5.05(c) above, the Master Association shall establish an impact fee (to be charged to and paid by each such Owner to the ARC at such time as the ARC approves such Owner's plans and specifications), for further payment to the Master Association, which impact fee shall be based on the total number of square feet of Living Space in the Dwelling set forth in such plans and specifications. The Master Association, in its sole discretion, may apply such impact fee to any expenses incurred by the Master Association or the Developer in connection with annexation of the Development, as set forth in Section 12.02 below, or in connection with any private educational facility constructed and operated within the Development which the Developer or the Master Association may, but shall not be obligated, to construct and operate. Nothing in this Section 5.05(h) shall obligate either the Developer or the Master Association to construct or operate any private school or schools and any such construction or operation shall be in the sole discretion of Developer or the Master Association, as applicable.

(i) In addition to all other fees charged to and paid by each Owner pursuant to these Covenants, the Owner of any Lot or Dwelling shall pay such reasonable "tap-on" fees and service fees as may be established by the Master Association, the Developer, or any municipal association that may have jurisdiction over such matters for any sanitary sewer system serving any such Lot or Dwelling.

5.06 Landscaping Approval. In order to preserve, to the extent practicable, the natural landscaping and plant life currently situated on the Property and in order to enhance the aesthetic appearance of the Property, no landscaping, grading, excavation or fill work of any nature shall be implemented or installed by any Owner, other than Developer, on any Lot or Dwelling unless and until landscaping plans therefor have been submitted to and approved by the ARC. The provisions of Section 5.05 above regarding the method that such plans are to be submitted to the

ARC, the time for approval or disapproval of the same and the method of approving modifications or changes thereto shall be applicable to such landscaping plans.

5.07 Construction Without Approval. If (a) any Improvements are initiated, installed, maintained, altered, replaced or relocated on any Lot or Dwelling without ARC approval of the plans and specifications for the same or (b) the ARC shall determine that any approved plans and specifications for any Improvements or the approved landscaping plans for any Lot or Dwelling are not being complied with, then, in either event, the Owner of such Lot or Dwelling shall be deemed to have violated these Covenants and the ARC shall have the right to exercise any of the rights and remedies set forth in Section 5.13 below.

5.08 Inspection. The ARC or any agent, employee or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or Dwelling or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefor are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

5.09 Subsurface Conditions.

(a) The Property is located in an area which includes underground mines or other geological formations or conditions which may result in surface subsidence. Approval of the submitted plans and specifications by the ARC as herein provided shall not be construed in any respect as a representation or warranty of the ARC and/or the Developer and/or the Master Association to the Owner submitting such plans and specifications. It shall be the sole responsibility of the Owner to determine the suitability and adequacy of the surface and subsurface conditions of the Lot for the construction of any and all Dwellings or other Improvements thereon.

(b) Neither the ARC and its individual members, nor the Master Association and its members, nor the Developer and its partners, agents and employees and the officers, directors, agents and employees of its partners (both in its capacity as a Developer as herein defined and as the owner or prior owner of any minerals subjacent to the Property), shall be liable to any Owner or Occupant, or the successors, assigns, licensees, lessees, employees and agents of any Owner or Occupant, for loss or damage on account of injuries to any parcel of the Property, to any buildings, Improvements, Dwellings or other structures now or hereafter located upon any parcel of the Property, or on account of any past or future injuries to any Owner, Occupant, or any other person in or upon any parcel of the Property, which are caused by, or arise as a result of soil and/or subsurface conditions, known or unknown (including, without limitation,

underground mines or other geological formations or conditions) under or on the Property.

5.10 Limitation of Liability. Notwithstanding anything provided herein to the contrary, neither Developer, the Master Association, the ARC, the Association, nor any agent, employee, representative, member, shareholder, partner, joint venturer, officer or director thereof, shall have any liability of any nature whatsoever for any damage, loss or prejudice suffered, claimed, paid or incurred by any Owner on account of (a) any defects in any plans and specifications submitted, reviewed or approved in accordance with the provisions of this Article V, (b) any defects, structural or otherwise, in any work done according to such plans and specifications, (c) the failure to approve or the disapproval of any plans, drawings, specifications or other data submitted by any Owner for approval pursuant to the provisions of this Article V, (d) the construction or performance of any work related to such plans, drawings and specifications, (e) bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of any such Owner or Occupant, or any damage to any Dwellings, Improvements or the personal property of any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of such Owner or Occupant, which may be caused by, or arise as a result of any defect, structural or otherwise, in any Dwellings or Improvements or the plans and specifications therefore or any past, present or future soil and/or subsurface conditions, known or unknown (including, without limitation, underground mines, tunnels or other geological formations or conditions on or under any Lot or Dwelling) and (f) any other loss, claim, damage, liability or expense, including court costs and attorneys' fees, suffered, paid or incurred by any Owner arising out of or in connection with the use and occupancy of any Lot or Dwelling or any Improvements situated thereon.

5.11 Commencement and Completion of Construction. With respect to each Lot, construction of the Dwelling shall be commenced within one (1) year from the date of purchase of such Lot from Developer. Upon commencement of construction of such Dwelling, construction work thereon shall be prosecuted diligently and continuously and shall be completed within one (1) year of the commencement date of said construction, such completion to be evidenced by a certificate of occupancy issued by the appropriate Governmental Authorities. In addition to all other rights and remedies for breach of these Covenants, in the event the Owner of any Lot shall fail to commence construction of a Dwelling within (1) year from the date of purchase of such Lot from Developer, then Developer shall have the option, but not the obligation, to repurchase the Lot for an amount equal to the purchase price paid to Developer for the Lot, without interest.

5.12 Sales and Construction Activities. Notwithstanding any provisions or restrictions contained in these Covenants to the contrary, Developer, its agents, employees, successors and assigns, shall have the right and option to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale of Lots and/or Dwellings or the development of Lots, Dwellings, Common Areas and the Additional Property, including, without limitation, the installation and operation of sales and construction trailers and offices, signs and model Dwellings, all as may be approved by Developer from time to time; provided, however, that the location of any construction trailers of any assignees of Developer's rights under this Section 5.12 shall be subject to Developer's approval. The right to maintain and carry on such facilities and activities shall include, without limitation, the right to use Dwellings as model residences and as offices for the sale of Lots and/or Dwellings and for any related activities.

5.13 Enforcement and Remedies. In the event any of the provisions of this Article V are breached or are not otherwise being complied with in all respects by any Owner or Occupant or the respective family members, guest, invitees, agents, employees or contractors of any Owner or Occupant, **then the ARC and the Master Association shall each have the right, but not the obligation, at their option to** (a) enjoin any further construction on any Lot or Dwelling and require the removal or correction of any work in place which does not comply with the plans and specifications approved by the ARC for such Improvements and/or (b) through their designated agents, employees, representatives and independent contractors, enter upon such Lot or Dwelling and take all action necessary to extinguish such violation or breach. All costs and expenses incurred by the ARC or the Master Association in enforcing any of the provisions of this Article V, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners and any other persons involved in the correction of nonconforming work, the completion of uncompleted work or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Master Association in causing any Owner or such Owner's contractors, agents or invitees to comply with the terms and provision of this Article V, shall be paid by such Owner, shall constitute an individual Assessment to such Owner pursuant to Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.10 below and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the right and remedies of the ARC and the Master Association set forth herein shall not be deemed exclusive of any other rights and remedies which the ARC or the Master Association may exercise at law or in equity or any of the enforcement rights specified in Section 6.37, 8.10, 11.01, 11.02 and 11.03 below.

5.14 Compliance Certification. The ARC or any authorized representative thereof shall, upon request and at such reasonable

charges as may from time to time be adopted by the Board, furnish to an Owner a certificate in writing setting forth whether all necessary ARC approvals have been obtained and whether any Dwelling or Improvement has been constructed in accordance with the provisions of these Covenants. Any such approval shall not be construed in any respect as a representation or warranty of the ARC and/or Developer and/or the Master Association that all applicable rules, regulations and requirements of all Governmental Authorities with respect to any such Lot or Dwelling have been fulfilled.

5.15 Repurchase Option. In the event the Owner of any Lot desires to convey such Lot prior to the expiration of one (1) year after the purchase of such Lot from Developer, and in the event the Owner has not then commenced construction of a Dwelling thereon, Developer shall have and retains the option, but not the obligation, to purchase such Lot for an amount equal to the purchase price paid to Developer for the Lot, without interest. Any such Owner shall give Developer written notice of such Owner's desire to sell such Lot, and Developer shall have thirty (30) days after receipt thereof to exercise Developer's option to purchase such Lot.

6.01 Use Restrictions. Except as otherwise provided to the contrary in Section 5.12 above, each Lot and Dwelling shall be used for single-family residential purposes only and no trade or business of any kind may be carried on in or from any Lot or Dwelling. The use of any portion of a Dwelling as an office by an Owner shall not be considered a violation of this covenant provided such use does not create regular customer, client or employee traffic, and further provided any such use is in compliance with all applicable rules, regulations and ordinances of any Governmental Authority having jurisdiction thereof. The leasing or rental of a Dwelling for residential purposes only shall not be considered a violation of this covenant so long as the lease (a) is for not less than the entire Dwelling, and (b) is otherwise in compliance with the rules and regulations promulgated and published from time to time by the Association; provided, however, that Developer shall have the perpetual right to designate from time to time any Dwellings owned by Developer, its successors and assigns, which may be leased for such periods of time as Developer may determine, including daily or weekly rentals. Each Owner shall be personally liable for the payment of all Assessments coming due while he, she or it is the Owner of any Lot or Dwelling and such Owner's grantee shall take title to such Lot or Dwelling subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his, her or its grantor any amounts paid by such grantee to the Association which were the legal obligations of such grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in Section 8.10(a) below, court costs and attorneys' fees incurred with respect thereto by the Association, shall also be a personal obligation of the person who was the Owner of the Lot or Dwelling at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot or Dwelling, all of the co-Owners shall be jointly and severally liable for the entire amount of such Assessments. Assessments shall be paid in such manner and on such dates as may be fixed by the Master Association. Each Lot and Dwelling shall be subject to equal annual and special Assessments.

(b) Notwithstanding anything provided in Section 8.03(a) above to the contrary, in the event any Additional Property is added to the Property, then the lots and/or dwellings within the Additional Property shall be subject to the same annual or special Assessments then being paid by the Owners of all Lots and Dwellings in the Property, subject to proration as provided in Section 8.09 below. The lots and/or dwellings in any single-family residential area developed by Developer, in Developer's sole discretion, north of Liberty Parkway, other than the Property or any Additional Property, shall also be subject to the same annual or special assessments then being paid by the Owners.

(a) Commencing with the fiscal year of the Master Association which begins on January 1, 1993, (i.e., from January 1, 1993 through December 31, 1993), and annually thereafter, the Master Association, with cooperation from the Association, shall determine and adopt annually an annual budget covering the estimated Common Expenses for the Old Overton Property for the upcoming year, such budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The amount set forth in such budget shall constitute the aggregate amount of annual Assessments for the then applicable year and each Owner shall pay his or her pro rata share of the same as provided in Section 8.03 above. (b) If any budget or the amount of annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board, after obtaining the prior written consent of the Master Association, may call a meeting of the Association for the purpose of approving special Assessments as provided in Section 8.05 below. (vi) The expenses of the ARC attributable to the Old Overton Property which are not defrayed by applicable plan review charges;

(ix) The establishment and maintenance of a reasonable reserve fund or funds (1) to cover emergencies and repairs required as a result of casualties which are not funded by insurance proceeds, and (2) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board, and approved by the Master Association; and

(x) A proportionate share of the Master Association Expenses described in Section 8.04(d) below, which proportionate share shall be determined by the Master Association, in its sole discretion.

(d) The Master Association Expenses to be funded by the annual and special Assessments may include, but shall not be limited to, the following:

(iv) The expenses of maintaining, operating, repairing and replacing any sewer lift station serving any portion of the Old Overton Property together with any other portion of the Development;

(v) Any attorneys' fees, court costs or other expenses incurred by Developer in defending any challenge to any annexation of the Development, as set forth in Section 12.02 below;

(vi) All ad valorem real and personal property taxes assessed and levied upon any of the Common Areas;

8.05 Special Assessments. In addition to the annual Assessments authorized in Section 8.04 above and the special Assessments authorized in Section 9.01(b) and 9.03(a)(i) below, the Board of the Association, subject to prior written approval of the Master Association, may levy in any year special Assessments for Common Expenses or any extraordinary costs incurred by the Association; provided, however, that any such special Assessments (other than special Assessments levied pursuant to Section 9.01(b) and 9.03(a)(i) below) shall be approved by a majority of the votes of the Owners who are voting in person or by proxy at the meeting called for the purpose of adopting special Assessments pursuant to the provisions of Section 8.08 below. The Board may make such special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.03 above.

8.06 Individual Assessments. Any expenses of the Master Association or the Association which, in the opinion of the Association, is occasioned by the conduct of less than all of the Owners or by an Owner or Occupant, or the respective family members, agents, guest, servants, employees, invitees or contractors of any Owner or Occupant, shall be specially assessed against such Owners and their respective Lots or Dwellings. The individual Assessments provided for in this Section 8.06 shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board in a notice to such Owner. The provisions of this Section 8.06 shall apply, without limitation, to any individual Assessments levied pursuant to Sections 5.13, 6.22, 6.23(a), 6.31, 6.37, 7.02(b) and 11.01 hereof.

8.07 Allocation of Assessments. All funds collected by the Association through annual Assessments, special Assessments and individual Assessments shall be retained by the Association except that the Association shall pay to the Master Association a portion of all such collected funds to cover a proportionate share of the Master Association Expenses, which proportionate

share shall be determined by the Master Association, in its sole discretion.

8.08 Notice of Meetings and Quorum.

(a) Written notice of each annual meeting of the Association shall be sent to all Owners not less than ten (10) days nor more than fifty (50) days in advance of such meeting. With respect to annual meetings, the presence in person or by proxy of Owners entitled to cast over 50% of all the votes of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, except as hereinafter provided, but the required quorum at the subsequent meeting shall be the presence in person or by proxy of Owners entitled to cast at least one-third (1/3) of the total votes of the Association. Any notice for any such subsequent meeting shall state that the necessary quorum therefor shall be one-third (1/3) of the total votes of the Association present in person or by proxy. At such time as a quorum is obtained, the vote of a majority of the Owners who are voting in person or by proxy at such meeting shall be required to approve any matter in which all of the members of the Association are entitled to vote.

(b) Written notice of any meeting of the Association other than an annual meeting shall be sent to all Owners not less than five (5) days nor more than twenty (20) days in advance of such meeting. With respect to any such other meeting of the Association, including, specifically, meetings pursuant to which special Assessments are to be levied upon each Lot or Dwelling pursuant to Section 8.05 above, there shall be no specific requirement establishing a quorum and the vote of a majority of the Owners who are voting in person or by proxy at any such special meeting shall be binding on all of the members of the Association.

8.09 Date of Commencement of Assessments. The annual Assessments provided for herein shall commence as to each Lot or Dwelling on the day on which such Lot or Dwelling is conveyed to a person other than Developer and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board of the Association, subject to the prior written approval of the Master Association. Annual Assessments and any outstanding special Assessments shall be adjusted for each Lot or Dwelling according to the number of months then remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot or Dwelling is conveyed. Annual and special Assessments for lots and dwellings within any portion of the Additional Property hereafter submitted to the terms of these Covenants, or any other portion of the Old Overton Property, shall commence with respect to each such lot or dwelling on the date on which such lot or dwelling is conveyed to a person other than Developer, subject to

proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. Notwithstanding anything provided herein to the contrary, Developer shall not be responsible for the payment of annual or special Assessments on any lots or dwelling which it or its affiliates own in the Development. Furthermore, for so long as Developer is the owner of any portion of the Old Overton Property, or until such earlier date as Developer may elect, in Developer's sole discretion, Developer shall have the option to either pay annual Assessments on lots or dwellings owned by Developer in the Old Overton Property or advance any deficits which may exist between the total amount of annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses for the Old Overton Property. At such time as Developer no longer has any interest in any portion of the Old Overton Property, Developer shall have no further obligation of any nature to pay any Assessments or otherwise fund any deficits relating to the Common Expenses.

8.10 Effect of Non-Payment; Remedies of the Association.

(a) Each Owner of a Lot or Dwelling is and shall be deemed to covenant and agree to pay to the Association all Assessments provided for herein. In the event any Assessments or any portion thereof are not paid when due, the same shall be subject to a late charge in an amount determined and uniformly applied by the Board from time to time and the Owner of such Lot or Dwelling shall be deemed in default herewith. In the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessment shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30th) day from the due date until the same is paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot or Dwelling for Assessments as provided above shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

(b) In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same becomes due, then in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments and any such judgment rendered in any such action shall include the late charge and interest at the Applicable

Rate, as specified in Section 8.10(a) above, together with attorneys' fees, court costs and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

(ii) The Association may enforce the lien created pursuant to Section 8.01 above in the manner hereinafter provided.

(c) There is hereby created a continuing lien on each Lot and Dwelling, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot or Dwelling, all late charges and interest at the Applicable Rate assessed pursuant to Section 8.10(a) above and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in collecting any Assessments. If any Assessments remain unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim of lien and perfect its lien against the Lot or Dwelling of such delinquent Owner, which claim shall be executed by any member of the Board of the Association or any officer of the Association, contain the following information and be recorded in the Probate Office of Jefferson County, Alabama:

(i) The name of the delinquent Owner;

(ii) The legal description and street address of the Lot or Dwelling upon which the lien claim is made;

(iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) A statement that the claim of lien is made by the Association pursuant to these Covenants and is claimed against such Lot or Dwelling in an amount equal to that stated therein.

Except as provided in Section 8.10(d) below, the lien provided for herein shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default) and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot or Dwelling. Each Owner, by

acceptance of a deed to any Lot or Dwelling, shall be deemed to (1) grant to and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

(d) In the event the Association fails for any reason to exercise its rights under this Section 8.10, the Master Association may exercise such rights, and all provisions, rights and benefits under this Section 8.10 shall in that event inure to the benefit of the Master Association.

8.11 Subordination of Lien. Notwithstanding anything provided herein to the contrary, the lien for Assessments and other charges authorized herein with respect to any Lot or Dwelling in the Development is and shall be subordinate to the lien of any Mortgage held by an Institutional Mortgagee, but only to the extent that the Mortgage held by any such Institutional Mortgagee is recorded in the Probate Office of Jefferson County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.10(c) above, or by the Master Association pursuant to Section 8.10(d) above. When an Institutional Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot or Dwelling, then such Institutional Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Institutional Mortgagee was recorded in the Probate Office of Jefferson County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.10(c) above, or by the Master Association pursuant to Section 8.10(d) above, but (b) be liable for all Assessments other charges levied, assessed or incurred with respect to such Lot or Dwelling from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot or Dwelling has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed or incurred by the Association and the Association, or the Master Association, as the case may be, shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by an Institutional Mortgagee on such Owner's Lot or Dwelling.

8.12 Certificates. The Association or any officer or authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and

expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

ARTICLE IX

CASUALTY, CONDEMNATION AND INSURANCE

9.01 Damage or Destruction to Common Areas.

(a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Master Association shall promptly repair, replace and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to such fire or other casualty.

(b) Notwithstanding anything provided in Section 9.01(a) above, in the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace and restore the damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association, subject to the prior written approval of the Master Association, may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Section 8.05 or 8.08 above, which such special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs necessary to repair, replace or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Such proportionate share shall be determined by a fraction, the numerator of which shall be the total area of the Property and the denominator of which shall be the total area of the Development. Such special Assessments shall be levied against each Lot or Dwelling equally as provided in Section 8.03 above. Further special Assessments may be made by the Board, subject to the prior written approval of the Master Association, on a proportionate share basis, as described above, without the necessity of a vote of the Owners approving or disapproving the same at any time during or upon completion of any such repair, replacement or restoration of the Common Areas if funds are insufficient to cover the costs of such repair or restoration. The Association shall pay to the Master Association any such special Assessments paid to the Association under this Section 9.01(b). Any and all insurance proceeds received by the Master Association on account of any damage to or destruction of any of the Common Areas or any sums paid to the Master Association by the Association under or by virtue of such special Assessments shall be held by and for the benefit of the Master Association and shall be disbursed by the Master Association in payment for the costs of such repair or restoration in such manner as may be determined by the Master Association. In no event shall the Association or the Owner or Mortgagee of any Lot or Dwelling be entitled to any portion of any special Assessments or proceeds of

insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

9.02 Damage or Destruction to Lots and Dwellings. In the event of any fire or other casualty which damages or destroys any portion of any Lot or Dwelling, then the Owner of such damaged Lot or Dwelling shall promptly repair and otherwise restore such Lot or Dwelling to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred eighty (180) days following the occurrence of such fire or other casualty. The Owner of any such damaged Lot or Dwelling shall proceed diligently and complete all such restoration and repair no later than one (1) year following the occurrence of such fire or other casualty. In the event the restoration or repair of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such fire or other casualty and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly manner.

9.03 Condemnation of Common Areas.

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, the award from such taking or sale in lieu thereof shall be paid to the Master Association and shall be disbursed or held as follows:

(i) To the extent the Common Areas subject to such taking can either be restored or replaced, then, to the extent practicable, the Master Association shall take such action, including the utilization of any other Common Areas within the Development, to restore, rebuild or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association, subject to prior written approval of the Master Association, may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Section 8.05 and 8.08 above, which such special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs of repair, restoration or reconstruction. Such proportionate share shall be determined by a fraction, the numerator of which shall be the total area of the Property, and the denominator of which shall be the total area of the Development. Such special Assessments shall be levied against each Owner as provided in Section 8.03 above. Further special

Assessments may be made by the Board, subject to the prior written approval of the Master Association, on a proportionate share basis, as mentioned above, without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon the completion of any such repair, replacement or restoration of the Common Areas if the award received as a result of such taking is insufficient to pay the costs of such repair or restoration. The Association shall pay to the Master Association any such special Assessments paid to the Association under this Section 9.03(a).

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or if the Master Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and for the benefit of the Master Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and for the benefit of the Master Association, without any claim thereto by the Association or any Owner. Except as specifically provided in Section 9.03(c) below, no Owner or Mortgagee of any Lot or Dwelling shall be entitled to any portion of the award made to the Master Association as a result of the taking of any portion of the Common Areas.

(c) If any such taking or sale in lieu thereof includes all or any part of a Lot or Dwelling and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the Master Association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot or Dwelling which is subject to any such taking and the Master Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

9.04 Condemnation of Lots and Dwellings. In the event that all or any portion of a Lot or Dwelling is taken as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot or Dwelling responsible for the maintenance and repair of such Lot or Dwelling shall promptly repair, reconstruct, rebuild and otherwise restore the remaining portions of the Lot or Dwelling as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. In the event the restoration of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall

promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly condition.

9.05 Insurance.

(a) The Master Association shall have the right and authority to obtain and maintain at all times adequate property and casualty insurance in such form as the Master Association deems appropriate for the benefit of the Master Association insuring all insurable Improvements in and to the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism and malicious mischief, which coverage shall be in an amount, with such insurance carriers, at such costs and with such deductibles as the Master Association, in its sole discretion, may determine.

(b) The Master Association shall have the right and authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas in such amounts, with such insurance carriers, at such costs and with such deductibles as the Master Association, in its sole discretion, may deem necessary or desirable.

(c) The Board shall have the right and authority to obtain workman's compensation insurance, employer's liability insurance, public liability insurance, and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board, in its sole discretion, may determine.

(d) All insurance coverage authorized in Section 9.05(c) above shall be written in the name of the Association and all costs thereof shall be a Common Expense. To the extent the same may be obtained at a nominal cost, all such policies shall contain a waiver of subrogation clause pursuant to which the insurer waives any claims against the Developer, the Master Association, the Association, the members of the Board and all officers, agents and employees of the Association, including the manager for the Development, the Master Association and the Association, the Owners and the family members, servants, agents, tenants and guests, of the Owners and shall also name Developer as an additional insured.

(e) All insurance coverages required in Sections 9.05(a) and 9.05(b) above shall be written in the name of the Master Association and a proportionate share of all costs thereof shall be a Common Expense. Such proportionate share shall be determined by a fraction, the numerator of which shall be the total area of the Property and the denominator of which shall be the total area of the Development at the time such costs are incurred.

(f) Each Owner shall be solely responsible for obtaining and maintaining public liability, property damage, title and all other types of insurance with respect to his or her Lot and Dwelling. The Board may require all Owners to carry public liability insurance with respect to their respective Lots and Dwellings and to furnish copies or certificates thereof to the Association. Each Owner, by acceptance of a deed or other instrument conveying any interest in any Lot or Dwelling, does hereby waive and release Developer, the Master Association, the ARC, the Association, the manager of the Development, the Master Association and the Association and their respective agents, employees, representatives, partners, shareholders, members, officers and directors, from any and all liabilities or damage covered by (or which should be covered by) fire and casualty (e.g., homeowner's and/or builder's risk) insurance and general liability insurance which any Owner maintains, even if such loss or damage has been caused by the fault or negligence of any of the foregoing persons or parties.

ARTICLE X

TERM AND AMENDMENTS

10.01 **Term.** The terms, covenants, conditions and restrictions set forth in these Covenants shall run with and bind all of the Property, shall inure to the benefit of all Owners and Mortgagees and their respective heirs, executors, personal representatives, administrators, successors and assigns, and shall be and remain in effect for a period of ninety-nine (99) years from and after the date hereof, after which time these Covenants shall be automatically renewed and extended for successive and continuous periods of ten (10) years each, unless, at any time after twenty (20) years from the date hereof, an agreement executed by the Owners of at least two-thirds (2/3) or more of the Lots or Dwellings within the Property agreeing to terminate or modify these Covenants has been recorded in the Probate Office of Jefferson County, Alabama; provided, however, that the rights of way and easements established, granted and reserved in Article III hereof shall continue and remain in full force and effect for the time periods and duration specified therein.

10.02 **Amendment by Developer.** For so long as Developer owns any Lot or Dwelling within the Property, or until such earlier date as Developer elects, in Developer's sole discretion, Developer may amend these Covenants by a written instrument filed and recorded in the Probate Office of Jefferson County, Alabama, without obtaining the approval of any Owner or Mortgagee; provided, however, that except as otherwise provided in Section 10.04 below, (a) in the event any amendment proposed by Developer materially and adversely alters or changes any Owner's rights to the use and enjoyment of his or her Lot or Dwelling or materially and adversely affects the title to any Lot or Dwelling, then such amendment shall be valid only upon the written consent thereto by the affected Owner or, alternatively, by fifty percent (50%) of all of the Owners (including Developer who shall have the voting rights attributable to any Lots or Dwellings owned by Developer)

or (b) in the event any such proposed amendment by Developer would materially and adversely affect the title and interest of any Institutional Mortgagee, such amendment shall be valid only upon the written consent thereto of all such Institutional Mortgagees affected thereby. Any amendment made pursuant to this Section 10.02 shall be certified by Developer and shall be effective upon recording of the same in the Probate Office of Jefferson County, Alabama. Each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, and each Mortgagee, by acceptance of a Mortgage on any Lot or Dwelling, agrees to be bound by all amendments permitted by this Section 10.02 and further agrees that, if requested to do so by Developer, such Owner and Mortgagee will consent to the amendment of these Covenants or any other instrument relating to the Property or the Association if such amendment is (i) necessary to bring any provision hereof into compliance or conformity with the provisions of any law, ordinance, statute, rule or regulation of any applicable Governmental Authority or the judicial decision of any state or federal court, (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any Lot or Dwelling, (iii) required by any Institutional Mortgagee in order to enable such Institutional Mortgagee to make a Mortgage loan on any Lot or Dwelling or (iv) necessary to enable any governmental agency or reputable private insurance company to insure Mortgages on any Lot or Dwelling within the Property.

10.03 Amendments by Association. Amendments to these Covenants, other than those authorized by Section 10.02 above, shall be proposed and adopted by the Association in the following manner, subject to the prior written approval of the Master Association:

(a) At any annual or special meeting of the members of the Association, an amendment to these Covenants may be proposed by either the Board of the Association or by any Owners present in person at such meeting. Any such proposed amendment must be approved by the Owners holding at least two-thirds (2/3) of the total votes in the Association; provided, however, that (i) for so long as Developer owns a Lot or Dwelling within the Property, or until such earlier date as Developer elects, in Developer's sole discretion, Developer must approve such proposed amendment and (ii) to the extent the proposed amendment affects any of the matters described in Section 10.04 below, then the provisions of Section 10.04 below shall be applicable to such proposed amendment.

ARTICLE XI

ENFORCEMENT

11.01 Authority and Enforcement. In addition to the provisions of Sections 5.13, 6.22, 6.23(a), 6.31, 6.37, 7.02(b) and 8.10 above, in the event any Owner or Occupant or their respective agents, contractors or invitees, violates any of the provisions of these Covenants, the Articles of Incorporation, the Bylaws or any rules and regulations adopted by the Board of the Association from time to time, the Board shall have the power to (i) impose reasonable monetary fines which shall constitute an equitable charge and continuing lien upon the Lot and Dwelling and shall be a personal obligation of such Owner which is guilty of such violation, (ii) suspend an Owner's right to vote in the Association or (iii) suspend an Owner's or Occupant's right (and the right of such Owner's or Occupant's family members, guests and tenants) to use any of the facilities located in or upon the Common Areas, and the Board shall have the power to impose all or any combination of any of the foregoing sanctions. Any such suspension of rights may be for the duration of the infraction.

11.02 Procedure. In the event any of the terms or provisions of these Covenants, the Articles of Incorporation, the Bylaws or any rules and regulations of the Association are violated by an Owner or Occupant, or the respective agents, contractors or invitees of any Owner or Occupant, the Board shall not impose a fine, suspend voting rights or infringe upon or suspend any other rights pursuant to Section 11.01 above unless written demand to cease and desist from an alleged violation shall be served upon the Owner responsible for such violations which demand shall specify:

(i) The alleged violation;

(ii) The action required to abate such violation; and

(iii) A time period of not less than ten (10) days during which the violation may be abated without further sanction, if such violation is a continuing one or if the

violation is not a continuing one, a statement that any further violation of the same provision of these Covenants, the Architectural Standards, the Articles of Incorporation, the Bylaws or any of the rules and regulations of the Association may result in the imposition of sanctions. The foregoing procedure shall only be applicable to the enforcement rights specified in Section 11.01 above and shall not apply to the exercise of any of the rights and remedies specified in any other section or provision of these Covenants.

11.03 Nonexclusive Remedies. Notwithstanding anything provided to the contrary in these Covenants, the authority, enforcement and procedural rights set forth in this Article XI are in addition to and shall not be deemed to limit the other rights and remedies set forth in these Covenants or which the Association, acting through the Board, would have the right to exercise at law or in equity.

11.04 Master Association Enforcement. In the event the Board fails for any reason to exercise its rights of enforcement set forth in this Article XI, the Master Association may, at its option, exercise such rights of enforcement and, in that event, all provisions, rights, and benefits under this Article XI shall inure to the Master Association.

ARTICLE XII

MISCELLANEOUS PROVISIONS

12.01 Control by Developer. NOTWITHSTANDING ANYTHING PROVIDED TO THE CONTRARY IN THESE COVENANTS, THE ARTICLES OF INCORPORATION, THE BYLAWS OR IN ANY OTHER DOCUMENT OR INSTRUMENT RELATING TO THE PROPERTY, DEVELOPER HEREBY RETAINS THE RIGHT TO APPOINT AND REMOVE ANY MEMBER OR MEMBERS OF THE BOARD OF THE ASSOCIATION AND ANY OFFICER OR OFFICERS OF THE ASSOCIATION AS PROVIDED BY AND FOR THE PERIOD OF TIME SET FORTH IN SECTION 4.02 ABOVE. Each Owner, by acceptance of a deed or other conveyance of any interest in a Lot or Dwelling, agrees that Developer shall have the authority to appoint and remove members of the Board and officers of the Association in accordance with the foregoing provisions of this Section 12.01 and the provisions of Section 4.02 above. At such time as Developer no longer owns any interest in any portion of the Old Overton Property, or at such earlier date as Developer elects, in Developer's sole discretion, a special meeting of the Association shall be called within a reasonable time thereafter at which time the Owners shall elect a new Board which shall undertake the responsibilities of the Board and Developer shall deliver all books, accounts and records of the Association, if any, which Developer has in its possession.

12.02 Annexation. The Development has been annexed by legislative act of the Alabama Legislature into the City of Vestavia Hills, Alabama (the "Municipality"). Developer reserves the right, but shall not be obligated, to de-annex the Development out of the Municipality in connection with the control or settlement of any litigation or administrative

proceeding (collectively, the "Litigation") in which the annexation or the annexation act is challenged. Each Owner, by acceptance of a deed or other conveyance of any interest in any Lot or Dwelling, and each Mortgagee, by the acceptance of any Mortgage on any Lot or Dwelling, hereby (1) agrees that Developer, in Developer's sole discretion, shall have the authority to de-annex the Development out of the Municipality in connection with the control or settlement of any Litigation, and (2) appoints Developer as such Owner's or Mortgagee's attorney-in-fact for executing any documents or taking any other action on behalf of such Owner or Mortgagee which Developer, in Developer's sole discretion, may deem necessary or desirable to either effectuate and complete the annexation of the Development into the Municipality or effectuate the de-annexation of the Development out of the Municipality. The power and authority herein granted is irrevocable and a power coupled with an interest which shall survive the death or dissolution of any Owner or Mortgagee and shall be binding on all Owners and Mortgagees, and their respective heirs, administrators, personal representatives, successors and assigns.

12.03 Legal Expenses. In addition to the rights and remedies set forth in Sections 5.13, 6.22, 6.23(a), 6.31, 6.37, 7.02(b), 8.09 and in Article XI above, in the event either the Master Association, its agents or representatives, the ARC, its agents or representatives, or the Board, its agents and representatives, undertake any legal or equitable action which either of them deem necessary to abate, enjoin, remove or extinguish any violation or breach of these Covenants, then all costs and expenses incurred by either of them, including, without limitation, attorneys' fees and court costs, in enforcing any of the terms, provisions, covenants or conditions in these Covenants shall be paid for by the Owner against whom such action was initiated. The Master Association, its agents and representative, the ARC, its agents and representatives, and the Board, its agents and representatives, are each hereby authorized to take any and all legal or equitable action as may be necessary under the circumstances to restrain or enjoin any such violation or breach or to otherwise seek monetary damages as a result of any expenses incurred by either the ARC or the Association to cure such violation or breach.

12.04 Severability. If any provision of these Covenants or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of these Covenants or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby and each provision shall be valid and enforceable to the fullest extent permitted by law.

12.05 Captions and Headings. The captions and headings contained in these Covenants are for convenience of reference

only and shall not be used in the construction or interpretation of any provisions of these Covenants. The table of contents, cover page and any index to these Covenants are for convenience of reference only and shall not define or limit any of the terms and provisions hereof.

12.06 Pronouns and Plurals. All personal pronouns used in these Covenants, whether used in the masculine, feminine or neuter gender, shall include all other genders. The use of the singular tense shall include the plural and the use of the plural shall include the singular.

12.07 Binding Effect. The terms and provisions of these Covenants shall be binding upon each Owner, Occupant and Mortgagee and the respective heirs, executors, administrators, personal representatives, successors and assigns of each Owner, Occupant and Mortgagee, and shall inure to the benefit of Developer, the Master Association, the ARC, the Association, all of the Owners and their respective Mortgagees and their respective heirs, executors, administrators, personal representatives, successors and assigns.

12.08 Conflict or Ambiguity. In the event of any conflict or ambiguity in the terms and provisions of these Covenants, the general rules of construction against one party as a result of that party having drafted these Covenants are hereby waived by each Owner and, to the fullest extent allowed by law, no conflicts or ambiguity shall be resolved in favor or to the advantage of one party as opposed to another in interpreting any ambiguity or conflict contained herein.

12.09 No Reverter. No restriction or provision hereof is intended to be or shall be construed as a condition subsequent or a possibility of reverter in favor of Developer nor shall any provision be deemed to vest any reversionary interest in Developer.

12.10 Interpretation. In all cases, the provisions set forth and provided for in these Covenants shall be construed together and given that interpretation or construction which, in the opinion of Developer, the Master Association or the Board, as the case may be, will best effect the intent of the general plan of development for the Property. The provisions hereof shall be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication so as to make them fully effective. The provisions of these Covenants shall be given full force and effect notwithstanding the existence of any zoning ordinance or building codes which are less restrictive. The effective date of these Covenants shall be the date hereof. These Covenants shall be construed under and in accordance with the laws of the State of Alabama.

12.11 Right of Third Parties. These Covenants shall be recorded for the benefit of Developer, the Master Association, the Association, the Owners and their respective Mortgagees and by such recording, no other adjoining property owner or third party shall have any right, title or interest whatsoever in the Property or the Development or the operation and continuation of either, in the enforcement of any of the provisions of these Covenants or the right to consent to or approve any amendment or modification to these Covenants.

12.12 No Trespass. Whenever the Master Association, the Association, Developer, the ARC and their respective agents, employees, representatives, successors and assigns, are permitted by these Covenants to enter upon or correct, repair, clean, maintain or preserve or do any other action within any portion of a Lot or Dwelling, the entering thereon and the taking of such action shall not be deemed a trespass.

12.13 No Partition. Each Owner hereby waives any right to seek or obtain judicial partition of any portion of the Property or the Development.

12.14 Reservation of Rights. Notwithstanding anything provided herein to the contrary, no sale, transfer, conveyance, lease, pledge, encumbrance or other hypothecation of any Lot or Dwelling by Developer to a third party shall constitute or be deemed a transfer of any of the rights reserved herein to Developer unless reference is made in such instrument of conveyance to the specific rights created in these Covenants which Developer is transferring to any such third party.

12.15 Standards for Review. Whenever in these Covenants Developer, the Master Association, the Association or the ARC has the right to approve, consent to, or require any action be taken pursuant to the terms hereof, such approval, consent or required action shall, except as otherwise specifically provided herein to the contrary, be given or withheld in the sole and absolute discretion of Developer, the Master Association, Association or the ARC, as the case may be.

12.16 Oral Statements. Oral statements or representations by Developer, the Master Association, the Association, the ARC or any of their respective employees agents, representatives, successors or assigns, shall not be binding on Developer, the Master Association, the Association or the ARC.

12.17 Notices. Notices required hereunder shall be in writing and shall be delivered by hand, by overnight courier, telecopied, or sent by registered or certified United States Mail, postage prepaid return receipt requested. Any notice so addressed and mailed shall be deemed to be given five (5) days after deposit in the United States Mail, and if delivered by hand, shall be deemed

to be given when delivered, and if telecopied or delivered by overnight courier, shall be deemed to be given on the business day immediately following the day on which it was sent or delivered. All notices to Owners shall be delivered or sent to such addresses as have been designated in writing to the Association or, if no such address has been so designated, at the address of such Owner's respective Lot or Dwelling within the Property. All notices to the Master Association, the Association or the ARC shall be delivered or sent in care of Developer to the following address:

Vice President - Real Estate

or to such other address as the Master Association, the Association or the ARC may from time to time specify in a notice to the Owners. All notices to Developer shall be sent or delivered to Developer at the above address or to such other addresses as Developer may notify the Association.

12.18 Assignment. Subject to the provisions of Section 12.14 above, Developer, the Master Association and the ARC shall each have the right to assign any and all of the rights, powers, reservations and duties contained herein to any person or entity who shall thereupon have the same rights, power, reservations and duties as Developer, the Master Association, and the ARC, respectively.

12.19 Further Assurances. Each Owner covenants and agrees to execute, sign and deliver, or cause to be executed, signed and delivered and to otherwise do or make or cause to be done and made, any and all agreements, instruments, papers, deeds, acts or things, supplemental, conformity or otherwise, which may be reasonably requested by Developer, the Master Association, the Association or the ARC for the purpose of or in connection with clarifying, amending or other consummating any of the transactions and matters herein.

12.20 No Waiver. All rights, remedies and privileges granted to Developer, the Master Association, the Association and the ARC pursuant to the terms and provisions of these Covenants shall be deemed to be cumulative and the exercise of any one or more of such rights, remedies or privileges shall not be deemed to constitute an election of remedies nor shall it preclude the party exercising the same, or any other party, from pursuing such other and/or additional rights, remedies or privileges as may be available to such party at law or in equity. The failure at any time to enforce any covenant or restriction set forth herein

shall in no event be deemed a waiver of the right thereafter to enforce such covenant or restriction.

IN WITNESS WHEREOF, Developer and TDC have caused these Covenants to be duly executed as of the day and year first above written.

C. Developer desires to amend and restate Amendment No. 5, as hereinafter provided, to provide for, among other things, the maintenance rights and obligations with respect to certain portions of the low pressure sewer system as set forth in this Amendment.

NOW, THEREFORE, Developer hereby amends the Covenants as follows:

1. Pursuant to Section 10.02 of the Covenants, Developer hereby amends the Covenants, as amended, as set forth in this Amendment and proclaims that the amendments set forth herein do not materially and adversely alter or change any Owner's rights to the use and enjoyment of his or her Lot or Dwelling, materially and adversely affect the title to any Lot or Dwelling, or materially and adversely affect the title and interest of any Institutional Mortgagee,

and that the Property is and shall be subject to the covenants, conditions, restrictions, easements, charges, and liens set forth in the Covenants and any previous amendments thereto to the extent not amended and modified by this Amendment, and further subject to the covenants, conditions, restrictions, easements, charges, and liens set forth in this Amendment, all of which shall be binding on all parties having or acquiring any right, title or interest in, and shall inure to the benefit of each and every Owner of the Property and any Lot or Dwelling and Common Area thereof.

A. As of October 7, 1993, Developer made and entered into the Old Overton Ridge Covenants, Conditions and Restrictions ("Covenants"), which Covenants were filed for record on October 14, 1993, and recorded as Instrument No. 9313/8012, in the Probate Office of Jefferson County, Alabama ("Probate Office"), affecting certain real property more particularly described in the Covenants.

C. Developer desires to amend and restate Amendment No. 6 to the Covenants solely for the purpose of submitting certain Additional Property to the provisions of the Covenants and said Amendment No. 6.

NOW, THEREFORE, Developer hereby amends and restates Amendment No. 6 to the Covenants as follows:

1. Pursuant to Section 2.02 of the Covenants, Developer desires to own, develop, improve, lease and sell Additional Property (hereinafter "Tartan Glen Property") particularly described in Exhibit "A" and Exhibit "B," attached hereto and incorporated herein by reference, which Tartan Glen Property is and shall be held, transferred, sold, conveyed, and occupied subject to the covenants, conditions, restrictions, easements, charges, and liens set forth in the Covenants, as such are amended and modified by this Restated Amendment, and further subject to the additional covenants, restrictions easements, charges, and liens set forth in this Restated Amendment, all of which shall be binding on all parties having or acquiring any right, title or interest in, and shall inure to the benefit of each and every owner of the Tartan Glen Property. Except as expressly provided herein, and unless the context otherwise requires, as used throughout the Covenants, the terms "Additional Property" and "Property" shall include the Tartan Glen Property.

2. As used throughout this Restated Amendment, the following terms shall have the meanings set forth below, which meanings shall be applicable to both the singular and plural forms and tenses of such terms:

A. **Tartan Glen Amenities.** The term "Tartan Glen Amenities" shall mean and refer to those portions of the Common Areas in or within the Tartan Glen Property which are designated by the Master Association Board or the Developer from time to time as for the exclusive, common use and enjoyment of the Old Overton Owners and Occupants of Lots or Dwellings within the Tartan Glen Property and the Developer, its successors and assigns. No Old Overton Owner or Occupant other than Old Overton Owners and Occupants of Lots or Dwellings within the Tartan Glen Property shall have any rights of use and enjoyment of the Tartan Glen Amenities or any other rights, licenses or benefits therein. The Tartan Glen Amenities shall include, without limitation, that portion, if any, of the Master Association's low pressure sewer system serving the Tartan Glen Property, all limited access facilities providing ingress to and egress from any portion of the Tartan Glen Property (other than any such areas located solely within the boundary lines of any Lot or Dwelling within the Tartan Glen Property), all parks, nature trails, recreational facilities and areas located within the Tartan Glen Property, and any other areas or Improvements on or within the Tartan Glen Property which are designated as Tartan Glen Amenities by Developer or the Master Association Board from time to time. The designation of any land and/or Improvements as Tartan Glen Amenities shall not mean or imply that the public at large or Old Overton Owners and Occupants of Lots or Dwellings located outside the Tartan Glen Property acquires any easement of use or enjoyment thereof or any other rights, licenses or benefits therein. Except as expressly provided herein, and unless the context otherwise requires, as used

throughout the Covenants, the term "Common Areas" shall include the Tartan Glen Amenities.

B. Tartan Glen Amenities Expenses. The term "Tartan Glen Amenities Expenses" shall mean and refer to all expenditures related solely to the Tartan Glen Amenities, as determined by the Old Overton Board in its sole discretion, made or incurred by or on behalf of the Old Overton Association or the Master Association for which only Old Overton Owners of Lots and Dwellings within the Tartan Glen Property shall be assessed pursuant to the terms and conditions of this Restated Amendment. Except as expressly provided herein and unless the context otherwise requires, as used throughout the Covenants, the term "Common Expenses" shall include Tartan Glen Amenities Expenses.

D. Old Overton Board. The term "Old Overton Board" shall mean and refer to the board of directors of Old Overton Association. As used in this Restated Amendment, "Old Overton Board" shall have the same meaning as the term "Board" in the Covenants.

E. Old Overton Owners. The term "Old Overton Owners" shall mean and refer to the owners of Lots or Dwellings within the Property who are members of the Old Overton Association. As used in this Restated Amendment, "Old Overton Owners" shall have the same meaning as the term "Owners" in the Covenants.

3. Notwithstanding anything to the contrary contained in Section 3.03(d) of the Covenants and subject to the terms and provisions of the Covenants and the rules, regulations, fees and charges from time to time established by the Developer or the Master Association or as otherwise established pursuant to this Restated Amendment, each Old Overton Owner and Occupant of Lots or Dwellings within the Tartan Glen Property shall have the exclusive right, privilege and easement for access to and the use and enjoyment of the limited access facilities, recreational areas, facilities and amenities within the Tartan Glen Property now or hereafter designated as Tartan Glen Amenities pursuant to the provisions of this Restated Amendment. No Old Overton Owners or Occupants other than the Old Overton Owners and Occupants of Lots or Dwellings within the Tartan Glen Property shall have any right, privilege or easement of access to and use and enjoyment of the Tartan Glen Amenities established hereby. The easement and rights granted herein are and shall be permanent and perpetual, are appurtenant to and shall pass and run with title to each Lot and Dwelling within the Tartan Glen Property.

Notwithstanding anything to the contrary in Section 4.03 and Section 8.08 of the Covenants, Old Overton Owners of Lots or Dwellings within the Tartan Glen Property shall have the sole and exclusive right to vote to improve and/or increase the Tartan Glen Amenities, and the Tartan Glen Amenities Expenses associated therewith, which are above and/or beyond the base level of maintenance and operation of the initial Tartan Glen Amenities as established by the Developer or the Master Association and that will preserve the aesthetic quality of the Tartan Glen Amenities and maintain the Tartan Glen Amenities in a manner consistent with the quality generally established within the Old Overton Communities at Liberty Park, subject, however, to the approval of the Old Overton Board, in the following manner:

A. Voting Requirements. At such time as a quorum consisting of over fifty percent (50%) of all the votes of the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property is obtained, the vote of a majority of the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property who are voting in person or by proxy at any annual meeting of the Old Overton Owners shall be required to approve any such improvement to and/or increase of the Tartan Glen Amenities, and the Tartan Glen Amenities Expenses associated therewith, which are above the base level of maintenance and operation of the initial Tartan Glen Amenities as approved by the Developer or the Master Association in accordance with the criteria set forth above and otherwise pursuant to the provisions of this Section 4. With respect to any special meeting of the Old Overton Association, there shall be no specific requirement establishing a quorum and the vote of a majority of the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property who are voting in person or by proxy at any such special meeting shall be binding on all of the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property.

B. Levy and Collection of Increased Expenses. The amount by which the Tartan Glen Amenities Expenses are increased pursuant to the majority vote of the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property as set forth in this Section 4 shall be specially levied and collected by the Old Overton Board pursuant to the provisions of Section 7 of this Restated Amendment.

C. No Right to Vote on Tartan Glen Amenities and Annually Assessed Tartan Glen Amenities Expenses. Notwithstanding anything to the contrary in this Section 4, no Old Overton Owner of a Lot or Dwelling within the Tartan Glen Property shall have the right to vote upon, nor approve of, the initial Tartan Glen Amenities designated by Developer or the Master Association Board and the Tartan Glen Amenities Expenses associated with the base level of maintenance and operation of the initial Tartan Glen Amenities as approved by the Developer or the Master Association Board to generally meet the criteria set forth above, as such expenses are annually assessed against the Old Overton Owners

and their respective Lots and Dwellings within the Tartan Glen Property pursuant to the provisions of Section 7 of this Restated Amendment.

5. Notwithstanding anything to the contrary contained in Section 4.07 of the Covenants, and subject to the prior written approval of the Master Association Board which may be withheld in the sole discretion of the Master Association Board, the Old Overton Board may establish and enforce additional rules and regulations, or modify existing rules and regulations, governing the use of the Tartan Glen Amenities. Each such rule and regulation shall be binding upon all Old Overton Owners and Occupants of Lots and Dwelling within the Tartan Glen Property until and unless any such rule or regulation is specifically overruled, canceled or modified by the Old Overton Board or by the majority vote of the total votes of the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property at any regular or special meeting of the Old Overton Association; provided, however, that no such rule or regulation may be overruled, canceled or modified unless such action is also approved by Developer for so long as Developer owns any portion of the Old Overton Property or until such earlier date as Developer elects in Developer's sole discretion, to relinquish such right.

6. In addition to the ARC's authority set forth in Section 5.04 of the Covenants, the ARC shall have the power and authority to promulgate and amend or modify from time to time written Supplemental Architectural Standards in connection with the development of the Tartan Glen Property which shall supersede, amend and/or replace all or any part of the provisions and requirements set forth in Articles V and VI of the Covenants, to the extent authorized by the ARC from time to time, in its sole discretion, and shall be binding upon and enforceable against all Old Overton Owners and Occupants of Lots or Dwellings within the Tartan Glen Property. The initial Supplemental Architectural Standards for the Tartan Glen Property are set forth on Exhibit "C", attached hereto and incorporated herein by reference.

7. For purposes of the Assessments set forth in Sections 8.03, 8.04 and 8.05 of the Covenants, the term "Common Expenses" shall not include the Tartan Glen Amenities Expenses. In addition to the Assessments set forth in the Covenants, the following shall be assessed against the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property and their respective Lots and Dwellings within the Tartan Glen Property in the following manner:

A. **Annual Assessments.** The Tartan Glen Amenities Expenses shall be annually assessed, at a uniform pro rata rate, against the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property and their respective Lots and Dwellings within the Tartan Glen Property. The annual Assessments to fund the Tartan Glen Amenities Expenses provided for herein associated with the base level of maintenance and operation of the initial Tartan Glen Amenities as established in Section 4 of this Restated Amendment shall be adopted annually by the Master Association Board, with cooperation from the Old Overton Association, as part of the annual budget of the Master Association provided for in Section 8.04 of the Covenants, and shall cover the estimated Tartan Glen Amenities Expenses for the upcoming year. The amount of the Tartan Glen

Amenities Expenses set forth in the annual budget of the Master Association shall constitute the aggregate amount of annual Assessments for the Tartan Glen Amenities for the then applicable year and each Old Overton Owner of a Lot or Dwelling within the Tartan Glen Property shall pay his or her pro rata share of the same as provided in this Section.

B. Special Assessments. In addition to the annual Assessments provided in this Section 7, the Old Overton Board, subject to the prior written approval of the Master Association, may levy in any year special Assessments to fund any improvement and/or increase of the Tartan Glen Amenities and the Tartan Glen Amenities Expenses approved by the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property, subject, however, to the approval of a majority of the votes of the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property who are voting in person or by proxy at a special meeting called for the purpose of adopting said special Assessments.

C. Levy and Collection. The annual and special Assessments levied herein shall be enforced and collected in accordance with the terms and provisions of the Covenants.

D. Acknowledgements of Old Overton Owners within Tartan Glen Property. By acceptance of a deed to a Lot or Dwelling within the Tartan Glen Property, each Old Overton Owner of a Lot or Dwelling within the Tartan Glen Property acknowledges and agrees:

(i) the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property shall have no right to vote upon nor approve the amount of the Tartan Glen Amenities Expenses associated with the base level of maintenance and operation of the initial Tartan Glen Amenities as established by the Developer or the Master Association Board to preserve the aesthetic quality of the Tartan Glen Amenities in a manner consistent with the quality generally established within the Old Overton Communities at Liberty Park and as set forth in the annual budget adopted annually by the Master Association Board and funded by the annual Assessments provided for in this Section 7;

(ii) the Old Overton Owners of Lots or Dwellings within the Tartan Glen Property shall have the right to vote upon and approve the amount of the Tartan Glen Amenities Expenses funded by the special Assessments provided for in this Section 7; and

(iii) the annual and special Assessments provided in this Section 7 of this Restated Amendment are in addition to, and not in lieu of, the Common Expenses levied pursuant to Sections 8.03, 8.04 and 8.05 of the Covenants.

8. This Restated Amendment supersedes Amendment No. 6 to the Covenants, which is recorded as Instrument Number 9509/9754 in the Probate Office, but differs in no material respect from said Amendment No. 6, except for including certain Additional Property not described in said Amendment No. 6, and all Property heretofore made subject to said Amendment No. 6 remains subject to the provisions of same as set forth in this Restated Amendment.

9. Except as herein specifically amended, the Covenants and the amendments thereto shall remain unchanged and in full force and effect.

**AMENDED AND RESTATED AMENDMENT NO. 8 TO
OLD OVERTON COMMUNITIES COVENANTS, CONDITIONS
AND RESTRICTIONS**

THIS AMENDED AND RESTATED AMENDMENT NO. 8 TO OLD OVERTON COMMUNITIES COVENANTS, CONDITIONS AND RESTRICTIONS ("Restated Amendment") is made as of the 4th day of June, 1997, by LIBERTY PARK JOINT VENTURE, an Alabama general partnership ("Developer"), comprised of Torchmark Development Corporation, an Alabama corporation, and Drummond Company, Inc., an Alabama corporation. Capitalized terms used herein, but not otherwise defined, shall have the meanings ascribed to them in the Covenants, as defined below.

RECITALS:

A. As of October 7, 1993, Developer made and entered into the Old Overton Ridge Covenants, Conditions and Restrictions ("Covenants"), which Covenants were filed for record on October 14, 1993, and recorded as Instrument No. 9313/8012, in the Probate Office of Jefferson County, Alabama ("Probate Office"), affecting certain real property more particularly described in the Covenants.

B. Subsequently, Developer amended the Covenants to, among other things, include additional real property within the terms, covenants, and conditions of the Covenants and rename the Covenants the "Old Overton Communities Covenants, Conditions and Restrictions" by filing in the Probate Office the following: Amendment No. 1 to the Covenants as of February 14, 1994, which is recorded as Instrument Number 9403/4047 in the Probate Office; Amendment No. 2 to the Covenants as of August 3, 1994, which is recorded as Instrument Number 9409/8837 in the Probate Office; Amendment No. 3 to the Covenants as of August 29, 1994, which is recorded as Instrument Number 9410/6200 in the Probate Office; Amendment No. 4 to the Covenants as of January 26, 1995, which is recorded as Instrument Number 9502/0631 in the Probate Office; Amended and Restated Amendment No. 4 to the Covenants as of December 4, 1996, which is recorded as Instrument Number 9614/2312 in the Probate Office; Amendment No. 5 to the Covenants as of February 16, 1995, which is recorded as Instrument Number 9502/6882 in the Probate Office; Amended and Restated Amendment No. 5 to the Covenants as of June 22, 1995, which is recorded as Instrument Number 9507/2677 in the Probate Office; Amendment No. 6 to the Covenants as of August 28, 1995, which is recorded as Instrument Number 9509/9754 in the Probate Office; Amended and Restated Amendment No. 6 to the Covenants as of February 22, 1996, which is recorded as Instrument Number 9603/6396 in the Probate Office; Amendment No. 7 to the Covenants as of February 20, 1996, which is recorded as Instrument Number 9607/2353 in the Probate Office; Amendment No. 8 to the Covenants as of July 22, 1996, which is recorded as Instrument Number 9613/1549 in the

Probate Office; and Amendment No. 9 to the Covenants as of November 22, 1996, which is recorded as Instrument Number 9316/8101 in the Probate Office.

C. Developer desires to amend and restate Amendment No. 8 to the Covenants solely for the purpose of submitting certain Additional Property to the provisions of the Covenants and removing certain property from the applicability of the Covenants to the extent that such real property has been eliminated from certain Lots as a result of resurveying.

NOW, THEREFORE, Developer hereby amends and restates Amendment No. 8 to the Covenants as follows:

All that real property included within the Survey of Old Overton - Fourth Sector as recorded in Map Book 185, Page 62, in the Probate Office.

and

All that real property included within the Kings Mountain Road Survey as recorded in Map Book 188, Page 84 in the Probate Office, being a resurvey of Lots 4-7 and 16-19, Old Overton - Fourth Sector, Map Book 185, Page 62, and Lot 20-A of a Resurvey of Lots 1, 3, and 20 Old Overton - Fourth Sector, Map Book 187, Page 44.

The said Additional Property is and shall be held, transferred, sold, conveyed, and occupied subject to the covenants, conditions, restrictions, easements, charges, and liens set forth in the Covenants, as heretofore and hereby amended, all of which shall be binding on all parties having or acquiring any right, title or interest in, and shall inure to the benefit of each and every owner of said Additional Property.

2. This Restated Amendment supersedes Amendment No. 8 to the Covenants, which is recorded as Instrument Number 9613/1549 in the Probate Office, but differs in no material respect from said Amendment No. 8, except for including certain Additional Property not described in said Amendment No. 8, and all real property heretofore made subject to said Amendment No. 8 remains subject to the provisions of same as set forth in this Restated Amendment, except those portions of the real property described in said Amendment No. 8 which have been eliminated from certain Lots as a result of resurveying

3. Except as herein specifically amended, the Covenants and the amendments thereto shall remain unchanged and in full force and effect.

INTENTIONALLY LEFT BLANK. SIGNATURES ON FOLLOWING PAGE.
